List and explain three reasons a college GPA is important: The Huntsville Bible College Honors Programs are designed to recognize HBC students who have demonstrated a commitment to academic excellence resulting in high marks.

If your GPA drops below a certain threshold, your school will send you a notice that you've been placed on academic probation and will inform you of what steps to take to recover from it.

You will need to keep your GPA at or above a certain level to keep your scholarships, or other financial awards, or loan eligibility you have.
