

## **Pending Registration and Pending Sleeper Profile Setup Instructions**

1. Download the SleepIQ app if you haven't already.
2. Tap Register New Account and fill in the information.
3. You'll need your order number and the email address you provided when you purchased your bed. If you want to get something to write with, I can give you your order number or text your order number. Your order number is\_\_\_\_\_.
4. If you need help, I can help walk you through it when I arrive or [go to our website](#) for instructions.

Note: It is okay to validate the email address if the customer provides the email address first. Do not give out the email address
