

Adult Foster Care (AFC) and Community Residential Setting (CRS) Program Abuse Prevention Plan (PAPP)

License Holder Name: JEC Miller, Inc. - Cotter		AFC License Number: (if applicable)
Program Address: 8706 Penn Ave S Bloomington, MN		CRS License Number: (if applicable)
		Date Developed/Revised: 5/20/2021
<p>The Human Services Licensing Act (HSLA), Minnesota Statutes 245A.65, subdivision 2, governs what is required in the adult foster care (AFC) and community residential setting (CRS) program abuse prevention plan. License holders must develop and enforce a written program abuse prevention plan in accordance with the HSLA, and the Reporting of Maltreatment of Vulnerable Adults Act (VAA), Minnesota Statutes 626.557, subdivision 14.</p>		
<p>I. POPULATION ASSESSMENT</p> <p>Describe the persons the program is planning to serve. Assess the possible risk of harm and/or abuse in each identified area. Describe the program's plan to reduce the risk of harm and/or abuse to persons served in the assessed area.</p>		
Describe the Persons the Program Plans to Serve	Describe Any Possible Risks - if there are no risks in this area please state that there is no risk	Describe the Plan to Reduce the Risk to Persons Served by the Program
1. Age: JEC Miller, Inc serves Adults this site	No Risk	While it is not believed the age of the individuals increases their potential of being abused, staff are trained in Vulnerable Adult Reporting Policies and Procedures and the Vulnerable Adult Act and will report any known or suspected abuse. Staff provide informal training discussions about various abuse situations to help prepare the individuals for what to do and who to tell if they were abused.
2. Gender: Females are currently served at this site	There are no risks based on the gender of the individuals	While it is not believed the gender of the individuals increases their potential of being abused, staff are trained in Vulnerable Adult Reporting Policies and Procedures and the Vulnerable Adult Act and will report any known or suspected abuse. Staff provide informal training discussions about various abuse situations to help prepare the individuals for what to do and who to tell if they were abused.

I. POPULATION ASSESSMENT continued

<p>3. Mental Functioning:</p>	<p>The mental functioning of the individuals supported is mild to severe.</p>	<p>Due to the mild to severe range of mental functioning, the individuals have limited understanding of what abuse is and to whom to report abuse. Staff are trained in each individual's CSSP Addendum, Supervision Level, Individual Abuse Prevention Plan, and Self-Management Assessment and will follow the guidelines in those individual plans to reduce the risk of abuse for each individual. Staff will take steps to prevent abuse and immediately intervene by getting between the individual and the abuser and will remove the individual receiving services to a safe area if they are being abused. Staff provide informal training about various abuse situations to help prepare the individuals for what to do and who to tell if they were abused. Staff are trained in Vulnerable Adult Reporting Policies and Procedures and the Vulnerable Adult Act and will report any known or suspected abuse.</p>
<p>4. Physical & Emotional Health:</p>	<p>Cotter provides supports to individual with a with range of emotional health needs such as (but not limited to): Depression, Mood Disorders, Personality Disorders, Schizophrenia.</p>	<p>Due to the mental health needs of the individuals in the home, there is behavioral programming in place that includes instructions for staff on how to verbally redirect the individuals when they are displaying behaviors due to their mental illness. Staff are trained in these plans. If community members are being verbally abusive, staff will ask the person to discontinue their abuse. Staff will verbally encourage the individual receiving services to go with them to a location that is away from the abuser. Staff provide informal training discussions about various abuse situations to help prepare the individuals for what to do and who to tell if they were abused. Due to the mental health needs of the individuals in the home, knives are locked in a safe place. Staff will assist with obtaining a knife if an individual asks for one. One individual would need complete supervision with knives. Staff are trained in Vulnerable Adult Reporting Policies and Procedures and the Vulnerable Adult Act and will report any known or</p>

		suspected abuse.
<p>5. Behaviors:</p>	<p>Cotter may provide supports to individuals that require supports with Behaviors and Supporting those behaviors with Positive Support Strategies.</p>	<p>Due to the mental health needs of some of the individuals in the home, there is behavioral programming in place that includes instructions for staff in how to verbally redirect the individuals when they are displaying behaviors due to their mental illness. Staff are trained in these plans. If community members are being verbally abusive, staff will ask the person to discontinue their abuse. Staff will verbally encourage the individual receiving services to go with them to a location that is away from the abuser. Staff provide informal training discussions about various abuse situations to help prepare the individuals for what to do and who to tell if they were abused.
