3. Mental Functioning: The mental functioning of the individuals supported is mild to severe.	The mental functioning of the individuals supported is mild to severe.	Due to the mild to severe range of mental functioning, the individuals have limited understanding of what abuse is and to whom to report abuse. Staff are trained in each individual's CSSP Addendum, Supervision level and Individual Abuse Prevention Plan, Self-Management Assessment and will follow the guidelines in those individual plans to reduce the risk of abuse for each individual. Staff will take steps to prevent abuse and immediately intervene by getting between the individual and the abuser and will remove the individual receiving services to a safe area if they are being abused. Staff provide informal training about various abuse situations to help prepare the individuals for what to do and who to tell if they were abused. Staff are trained in Vulnerable Adult Reporting Policies and Procedures and the Vulnerable Adult Act and will report any known or suspected abuse.
4. Physical & Emotional Health: Kell provides supports to individual with a with range of emotional health needs such as (but not limited to): Depression, mood disorders, Personality Disorders, Schizophrenia.	Kell provides supports to individual with a with range of emotional health needs such as (but not limited to): Depression, mood disorders, Personality Disorders, Schizophrenia. Physical Aggression, Verbal Aggression, and Self Injurious behaviors are a result at times.	Due to the mental health needs of of the individuals in the home, there is behavioral programming in place that includes instructions for staff in how to verbally redirect the individuals when they are displaying behaviors due to their mental illness. Staff are trained in these plans. If community members are being verbally abusive, staff will ask the person to discontinue their abuse. Staff will verbally encourage the individual receiving services to go with them to a location that is away from the abuser. Staff provide informal training discussions about various abuse situations to help prepare the individuals for what to do and who to tell if they were abused. Staff are trained in Vulnerable Adult Reporting Policies and Procedures and the Vulnerable Adult Act and will report any known or suspected abuse.

5. Behaviors: Physical Aggression, Verbal Aggression, and Self Injurious behaviors are a result at times.	Kell may provide supports to individuals that require supports with Behaviors and Supporting those behaviors with Positive Support Strategies.	Due to the mental health needs of some of the individuals in the home, there is behavioral programming in place that includes instructions for staff in how to verbally redirect the individuals when they are displaying behaviors due to their mental illness. Staff are trained in these plans. If community members are being verbally abusive, staff will ask the person to discontinue their abuse.
