<p>3. Mental Functioning:</p>	<p>The mental functioning of the individuals supported is mild to severe.</p>	<p>JEC Miller, Inc. will pre-screen each individual to minimize risk in this area. The agency will also work closely with the County to ensure the history of the individuals are appropriate for the other people that are residing at the program. All staff are trained in Policy and Procedures on report maltreatment of minors and Vulnerable adults.</p> <p>Due to the mild to severe range of mental functioning, the individuals have limited understanding of what abuse is and to whom to report abuse. Staff are trained in each individual's CSSP Addendum, Supervision level and Individual Abuse Prevention Plan, Self-Management Assessment and will follow the guidelines in those individual plans to reduce the risk of abuse for each individual. Staff will take steps to prevent abuse and immediately intervene by getting between the individual and the abuser and will remove the individual receiving services to a safe area if they are being abused. Staff provide informal training about various abuse situations to help prepare the individuals for what to do and who to tell if they were abused. Staff are trained in Vulnerable Adult Reporting Policies and Procedures and the Maltreatment of Minors.</p>

<p>4. Physical & Emotional Health:</p>	<p>JEC Miller, Inc. provides supports to individuals with both physical and emotional health needs.</p> <p>Individual's with a with range of emotional health needs such as (but not limited to): Depression, mood disorders, Personality Disorders, Schizophrenia are also being served.</p>	<p>Due to the mental health needs of the individuals in the home, there is behavioral programming in place that includes instructions for staff in how to verbally redirect the individuals when they are displaying behaviors due to their mental illness. Staff are trained in these plans. If community members are being verbally abusive, staff will ask the person to discontinue their abuse. Staff will verbally encourage the individual receiving services to go with them to a location that is away from the abuser. Staff provide informal training discussions about various abuse situations to help prepare the individuals for what to do and who to tell if they were abused. Staff are trained in Vulnerable Adult Reporting Policies and Procedures and the Maltreatment to Minors and will report any known or suspected abuse.</p>

II. PHYSICAL PLANT

Describe the physical plant in which the program is located. Assess the possible risk of harm and/or abuse to persons served based on the physical plant. Describe the program's plan to reduce the risk of harm and/or abuse to persons served in the assessed area.

Describe the Physical Plant	Describe Any Possible Risks - if there are no risks in this area please state that there is no risk	Describe the Plan to Reduce the Risk to Persons Served by the Program
<p>1. Condition and Design of the Physical Plant:</p>	<p>The program has the potential of serving individuals that have a history of property destruction, aggressive behaviors, and elopement.</p> <p>There is a large window in one of the upstairs bedroom that can be easily opened and provides a safety risk for kids that may try to elope.</p>	<p>There is a fence around the property help reduce the opportunity of elopement. Currently the fence does not cover the entire parameter of the property, the fence will be completed during the spring of 2019 (weather permitting). Alarms on all exterior doors and windows. Bedroom doors will have the option for alarms for individuals that require it.</p> <p>JEC Miller, Inc is working Dakota County and a modification company to put in a smaller window that would provide egress but not a safety risk.</p>
<p>2. Areas Difficult to Supervise:</p>	<p>Rosalie Way is a 3 story home with adequate space and rooms. There may be opportunities for individuals to sneak away to isolate or hide.</p>	<p>There is a fence around the property to help reduce the opportunity of elopement. Rosalie Way should have adequate staffing to reduce the opportunity to isolate or "hide" from others.</p>
