

Lakeview School of Nursing
N443 Leadership and Management
Weekly Clinical Journal

Name Delaney Lockard Date 09/04/2020

Week 2

Journal of Observations I went on the Behavioral Health unit at SBL for my N444 clinical. I rounded and passed medication with my nurse. I dressed wounds and read charts. I also practiced my therapeutic communication skills.

What Leadership and Management skills were observed?

A leadership skill I observed was the nurse educating me and taking charge. I also saw the supervisor come down to the floor and check on the unit.
