

Lakeview School of Nursing
N405 Leadership and Management
Weekly Clinical Journal

Name Lindsey Davis

Date 9/2/20

Week 2

Journal of Observations I was able to give lots of meds through a port, IM injection and OG. I suctioned an ET tube and performed oral care.

What Leadership and Management skills were observed?

I watched the CCU manager round with her staff two times, to make sure she didn't need anything and help during an admission.

Week 3 Date _____

Journal of Observations _____

What Leadership and Management skills were observed?

Week 4 Date _____

Journal of Observations _____

What Leadership and Management skills were observed?
