

N442: Clinical Hours' Time-Log/Verification Form-Danville

- Please complete this log each week.
- If you should happen to lose this paper or forget it for a clinical, you must obtain the signature by returning to see the clinical personnel. You can print a new form and have them fill it out that day and keep the forms together.
- **At the end of the semester, you must have verification of the 45 hours required to achieve a PASSING clinical grade in this course.**
- **If you MISS a clinical, you will need to determine if you can make up the clinical at the missed site with the course coordinator. If you CANNOT return to the original site to obtain your needed hours, you will need to make up your clinical time with Salt & Light doing community service. ALL MISSED CLINICALS WILL BE MADE UP!**

Student Name: Marianne Florido Semester: 4 Clinical Instructor: Cynthia Lambert
