To sign up for e-TOC (Emailed Table of Contents) from OVID. Do the following:
Go to our website>>click on Library>>Then the Resources page>>next click on OVID there:

Next you'll need to select Journals within OVID to see the selection of Full-Text Journals we subscribe to:

You will then see an alphabetical list of journals and can scroll through it to find one that interests you. If you want to receive an email with the Table of Contents click e-TOCs icon and enter your email address then subscribe (do this for each title you are interested in):

OVID has Full-Text availability on and off campus to 61 journals.

If you are interested in one of the libraries other offerings you may need to go directly to the website for that journal and find their e-TOC signup. Journal titles we do not have online access too (at this time) are listed below:

[Alternative and Complementary Therapies](#)

[Birth: Issues in Perinatal Care](#)

[Canadian Nurse](#)

[Clinical Nursing Research](#)

[International Nursing Review](#)

[Journal of Advanced Nursing](#)

[Journal of Gerontological Nursing](#)

[Journal of Nursing Education](#)

[Journal of Nursing Measurement](#)

[JOGNN: Journal of Obstetric, Gynecologic & Neonatal Nursing](#)

[Journal of Psychosocial Nursing and Mental Health Services](#)

[Journal of Transcultural Nursing](#)

[Neonatal Network](#)

[Nurse Practitioner Perspective](#)

[Nursing for Women's Health](#)

[Research in Nursing & Health](#)

[Western Journal of Nursing Research](#)

[Workplace Health & Safety](#)

Beyond these titles there are LOTS of full text offerings in our other databases. However they may or may not have easy access to an e-mailed TOC. For example our Science Direct database has hundreds of Nursing related health titles. To see them go back to the Library Resources page and select Science Direct:

To make that list smaller click the "All access types" on the right side, and select Full Text access and then on the left menu expand Health Science then check mark Nursing and Health Professions. These 2 changes has the list go from 3846 to 185.

Once you've got a smaller list to look at, find a title that interests you and "browse" through it or subscribe to an RSS feed of new articles, among other things.
