

N404: Windshield Survey Verification Form

- Please complete this log during your windshield survey clinical.
- Print one form for you group. Each group member will attach it to their clinical journal. If you should happen to lose this paper or forget it, you must obtain the signature by returning to see the required personnel.
- **You must participate in the survey clinical time (everyone) and in the project. A poor evaluation from your peers will result in a lower grade. You MUST be present on presentation day to receive a grade for this project.**
- PPT is submitted by one person, with everyone's name on it in the group to the Dropbox. You will also present in class. Please see rubric for presentation guidelines. YOU MUST WEAR YOUR LAKEVIEW UNIFORM FOR THIS CLINICAL.

Group Members: Darby McNeil, Kaytlynn Roberts, Breanna Schoonover

Semester: Fall 2020

Clinical Instructor: Eleni Key

		School Personnel	Name: Signature: Phone/Email: Position: Name of School/Location:
Total hours:		7.5 hours total on project	

Police Officer

During the interview with a police officer, Jeremy Kyle, we discussed the safety of the community. We discussed that a person is more at risk of being a property crime victim versus a violent crime victim. Effingham county does not witness many rapes or traffic deaths. Jeremy discussed that the low traffic death rates are related to the fact that traffic is well maintained. Effingham County has added new traffic lights and stop signs, which have reduced incident rates. Out of all the towns in the county, Effingham has the highest crime rate. Jeremy and I talked about how the higher crime rate is related to Effingham's larger population versus the other surrounding towns.

Clergy

During the interview with Clergy Jeff Michael at my hometown church, Christ's Church, we discussed the church and the future ambitions. Pastor Michael takes pride in the upkeep of the church. The church is newly renovated to allow more people into the church to worship. Due to COVID, the church is currently doing virtual worship services on Wednesdays and Sundays. Christ's Church is a Nondenominational church that provides the community with a safe place to run when they feel alone or a place to come and praise the Lord. In the future, Pastor hopes to expand Christ's Church into other towns in the county.
