

Lakeview College of Nursing
Academic E-Portfolio

For this course, you will finalize an academic e-portfolio. The purpose of this e-portfolio is to “showcase” your academic work throughout your nursing education. The academic e-portfolio is a biographical account of the student’s career at Lakeview College of Nursing-the goals, objectives met, improvements in writing and nursing skills, etc. If you have previous academic experience, that information can also be provided. Collections of papers and presentations may be included to demonstrate your best ideas, work, and accomplishments during the program and demonstration of meeting the program outcomes below:

Program Outcomes (PLSO):

1. Demonstrate collaboration among health care professionals through the use of effective communication to improve patient outcomes.
2. Incorporate informatics and technology into professional nursing practice.
3. Implement safe, quality care for individuals, families, and systems to improve outcomes.
4. Teach patients about health promotion and screening programs based on family, population, and/or community needs.
5. Integrate professional values and leadership principles as a nurse generalist.
6. Demonstrate patient-centered care by respecting the patient's preferences, being culturally sensitive, and incorporating professional values into nursing practice.
7. Demonstrate appropriate clinical judgment based on current evidence for patients across the lifespan in a variety of settings

Learning Objectives of Academic E-Portfolio:

1. The student will demonstrate an appreciation for lifelong learning and professional development (PLSO 1, 2, 5, 7)
2. The student will integrate professional values and cultural competence into their nursing practice (PLSO 1, 4, 5, 6)
3. The student will demonstrate an understanding of health promotion, maintenance, and restoration of wellness (PLSO 4, 5)
4. The student will analyze evidence-based practice and nursing interventions to improve client outcomes (PLSO 1, 2, 3, 7)
5. The student will effectively evaluate their academic progression through the baccalaureate nursing program (PLSO 2, 3, 5)

An academic e-portfolio will be completed within the Edvance platform. The e-portfolio is divided into sections, each has specific directions for the papers and documentation that should be included.

Students should have an example of one assignment per LCN course listed below. No duplication of assignments is permitted. Each document can only be used once as an example of accomplishment.

Course	Suggested Assignments for e-Portfolio
N311: Foundations of Professional Nursing	<ul style="list-style-type: none"> • Cultural Presentation • Lab Test Out • Midterm Evaluation • Final Evaluation • ATI report
N312: Basic Health Assessment	<ul style="list-style-type: none"> • H & P/Lab Test Out • ATI report
N313: Basic Concepts of Pathophysiology	<ul style="list-style-type: none"> • Davis Advantage Assignment • Focus Concept Sheet/Review
N314: Introduction to Professional Practice	<ul style="list-style-type: none"> • Vulnerable Population APA paper • History of Nursing Presentations • Personal Nursing Philosophy APA Paper • Cultural Implications Paper • ATI report
N321: Adult Health I	<ul style="list-style-type: none"> • Concept Map, Care Plan & Teaching Plan • Lab Test Out • Discussion Post • Cultural Simulation • EKG Worksheet • Midterm Evaluation • Final Evaluation • ATI report
N322: Basic Concepts of Pharmacology	<ul style="list-style-type: none"> • Polypharmacy Project • Drug Cards • ATI report
N323: Mental and Behavioral Health	<ul style="list-style-type: none"> • Milieu Project • Lab Test Out • Clinical Summary • Care Plan • Research Paper • Midterm Evaluation • Final Evaluation • ATI report

<p>N324: Older Adult Health</p>	<ul style="list-style-type: none"> • Palliative-Hospice Assignment • Therapeutic Communication Gerontology Assignment • Client Comfort and End of Life Care Assignment
<p>N431: Adult Health II</p>	<ul style="list-style-type: none"> • Culture Simulation • Room Safety Simulation • Care Plan & Teaching Plan • Lab Test Out • Reflective Journal • Midterm Evaluation • Final Evaluation • ATI report
