|--|----------------------------------|----------------------------------|----------------------------------|-----------|
| 1. Without giving your child help by pointing or using gestures, ask him to "put the book on the table" and "put the shoe under the chair." Does your child carry out both of these directions correctly?  | <input checked="" type="radio"/> | <input type="radio"/>            | <input type="radio"/>            | <u>10</u> |
| 2. When looking at a picture book, does your child tell you what is happening or what action is taking place in the picture (for example, "barking," "running," "eating," or "crying")? You may ask, "What is the dog (or boy) doing?"   | <input checked="" type="radio"/> | <input type="radio"/>            | <input type="radio"/>            | <u>10</u> |

Does your child consistently move the zipper up when you say "up" and down when you say "down"? | <input type="radio"/>            | <input checked="" type="radio"/> | <input type="radio"/>            | <u>5</u>  |

| 5. Without your giving help by pointing or repeating directions, does your child follow three directions that are unrelated to one another? Give all three directions before your child starts. For example, you may ask your child, "Clap your hands, walk to the door, and sit down," or "Give me the pen, open the book, and stand up."   | <input type="radio"/>            | <input type="radio"/>            | <input checked="" type="radio"/> | <u>0</u>  |
| 6. Does your child use all of the words in a sentence (for example, "a," "the," "am," "is," and "are") to make complete sentences, such as "I am going to the park," or "Is there a toy to play with?" or "Are you coming, too?"   | <input checked="" type="radio"/> | <input type="radio"/>            | <input type="radio"/>            | <u>10</u> |

3. **ASQ SCORE INTERPRETATION AND RECOMMENDATION FOR FOLLOW-UP:** You must consider total area scores, overall responses, and other considerations, such as opportunities to practice skills, to determine appropriate follow-up.

If the child's total score is in the  area, it is above the cutoff, and the child's development appears to be on schedule.  
If the child's total score is in the  area, it is close to the cutoff. Provide learning activities and monitor.  
If the child's total score is in the  area, it is below the cutoff. Further assessment with a professional may be needed.

4. **FOLLOW-UP ACTION TAKEN:** Check all that apply.

- Provide activities and rescreen in 3 months.
- Share results with primary health care provider.
- NA Refer for (circle all that apply) hearing, vision, and/or behavioral screening.
- NA Refer to primary health care provider or other community agency (specify reason): \_\_\_\_\_
- NA Refer to early intervention/early childhood special education.
- No further action taken at this time
- Other (specify): \_\_\_\_\_

5. **OPTIONAL:** Transfer item responses (Y = YES, S = SOMETIMES, N = NOT YET, X = response missing).
