

Instructions for Completing the Poison Control Modules

1. Click on this link: <https://www.illinoispoisoncenter.org/education/poison-prevention-education>

It should take you to this home page:

The screenshot shows the Illinois Poison Center website. At the top, there is a navigation bar with the Poison Center Helpline (1-800-222-1222), Email Sign Up, About Us, Contact Us, and En Español. Below this is a main navigation menu with categories: MY CHILD ATE..., HEALTH & SAFETY, RESOURCES, EDUCATION (highlighted), and OUR EXPERTS. A search icon is also present. The breadcrumb trail reads: HOME -> EDUCATION -> POISON PREVENTION EDUCATION. The page title is "Poison Prevention Education". The main content area includes a sub-header "Education" with links for Continuing Education Credit, Events and Classes, and For Healthcare Professionals. A green button labeled "Poison Prevention Education" is visible. Below the text, there is a photograph of hands typing on a laptop keyboard.

2. Follow the link and register
3. Complete all 7 modules and answer the quiz questions
4. You must complete the survey to get your certificate
5. Screen shot your completion certificate and put it in the appropriate drop box in Edvance

N433 Grading Criteria for Poison Control Modules

The student must complete **all** 7 modules and then submit the certificate of completion into the assigned drop box by the assigned date in order to earn the 100 points for this assignment.

If the student does not complete **all** of the 7 modules or does not submit the final certificate which states it was completed into the Dropbox by the assigned date, the student will not receive **any** points for this assignment.
