Assessment of Client/Family (5 points)	Nursing Diagnosis & Goal of Teaching (5 points)	Interventions (5 points)	Methods/Teaching Tools (2 points)	Evaluation (3 points)
<p>Level of motivation for learning: The patient was motivated to learn about the use of an incentive spirometer.</p> <p>Barriers to effective learning: The patient is in some pain from surgery but has no other barriers to learning.</p> <p>Health beliefs/values: The patient believes in medicine and treatment. The patient wants the best outcome.</p> <p>Psychosocial development: The patient is appropriate for their psychosocial development.</p> <p>Cognitive development: The patient is A &O times 4 and appropriate for cognitive development.</p>	<p>Nursing Diagnosis: Knowledge deficit related to the use of an incentive spirometer as evidenced by the patient’s statement “I have never used one of those before.”</p> <p>Goal of Teaching: The goal of the teaching is to educate on the use of an incentive spirometer and prevent of atelectasis post-surgery.</p>	<p>Intervention 1: Determine the patient’s education level and their knowledge about an incentive spirometer</p> <p>Intervention 2: Provide the patient with a handout regarding the proper use of an incentive spirometer</p> <p>Intervention 3: Answer additional questions the patient has to clarify the use of an incentive spirometer</p>	<p>Method 1: Discussion with a worksheet to demonstrate the use of an incentive spirometer</p> <p>Method 2: Teach-back method</p>	<p>Discuss how the client/family received the teaching: The patient received the teaching well and provided the teach back method about the proper use.</p> <p>Identify strengths/weaknesses of the client or family in receiving teaching: A strength the patient had was readiness to learn and easily coachable. The patient did not demonstrate any weaknesses.</p> <p>Suggest modifications to improve teaching plan (what would have improved the plan?): To improve my teaching plan, I would have adapted my teaching plan to adapt to the patient’s learning style before educating them.</p>
