DEAR STINES,

Nurse Residency Program

As an upcoming nursing graduate from Lakeview College of nursing, I am excited to submit my application for your reputable hospital's nurse residency program position. Carle hospital will reinforce my passion for delivering outstanding patient care in a challenging environment. Your reputation for excellence in patient care and as a cardiovascular institute makes Carle view the ideal place to get my nursing career of the best start possible.

I had the opportunity to gain clinical experience at OSF and Carle Foundation Hospital. In my clinical practice experience, my adaptability and ability to interpret nursing diagnoses gave me high-scored evaluations by my preceptors. I also volunteered 20 hours for community service for those in need.

I spent two semesters in a challenging ER for father training, where I gained basic nursing skills, which allowed me to start my nursing career with confidence and determination to constantly improve my skills.

I look forward to meeting you in person to discuss the position further. You may reach me by phone at 3122734787 or [email-cnlandu1@gmail.com](mailto:cnlandu1@gmail.com) to arrange an interview.

Sincerely,

Christine Nlandu
