A group of students from Lakeview College of Nursing will participate in volunteering at Boys and Girls Club, Garfield Park, 850 N Griffin St, Danville on February 11th and 25th, 2022 from 2 pm to 6 pm. People who have an interest in volunteering are encouraged to attend and engage with the youth.

Lakeview students spent eight hours volunteering at the local Boys and Girls Club. We as a group inspect members of our community and factors that affect them. By spending time within our community we can get a better idea of the underlying problems, and benefiting factors to those living around us.

Anita Wilson of Bolingbrook, IL (60440), Mackenzie Noel of Danville, IL (61832), Conor Deering of Danville, IL (61832), Richard Kumpi of Champaign, IL (61821), Kimberly Sanchez of Danville, IL (61832) and Cidney Hinchman of Georgetown, IL (61846) decided to pursue this effort with the Boys and Girls Club because each group member has a passion for providing the youth with opportunities to develop new social relationships and support in a welcoming environment. Many group members have attended an afterschool program similar to the organization and found it to be a “safe place to play, grow and learn.” It is rewarding to now empower the youth to encourage them to excel in school, become good citizens, and lead healthy, productive lives.

Lakeview College of Nursing has provided excellence in nursing education since 1894. Lakeview currently offers a bachelor of science in nursing degree program in Danville as well as Charleston, Illinois.

For more information about this event please contact Lakeview College of Nursing at 217-709-0929 for the Danville campus.
