A group of students from Lakeview College of Nursing will participate in **the Legacy Project** at **Salt and Light** on **3/4/2022** from **0700-1500**. The public is encouraged to donate, shop, and volunteer at this organization.

The Salt and Light in Urbana is located at 11819 S Philo Rd. Urbana, IL 61802. They are open from 11 AM to 5 PM on Sundays and 8 AM to 8 PM Monday thru Saturday. Salt and Light offer a wide variety of food, clothing, and home goods at reasonable prices for a

**good cause.** Volunteers can expect to stock shelves in the grocery department or sort clothing. Volunteers must contact Lisa Sheltra for more information.

Lindsay Cox of Homer, IL 61849; Adele Moanda of Champaign, IL 61821; Bailey Pierce of Covington, IN 47932; Courtney Thomas of Fisher, IL 61843; Jerry Williams of Chicago, IL 60643; and Kenny Johnson of Mahomet, IL 61853. We chose Salt and Light for our Legacy Project because we wanted to partner with an organization that serves the community in a way that is related to nursing. Nurses take care of patients from all walks of life and Salt and Light is open to everyone in the community. When nurses receive patients who are unable to afford necessities such as food, they will provide the patient with resources to meet those needs once they leave the hospital. Salt and Light provide food, clothing, and home goods to everyone in the community, but focuses on those who are living on low-income to reduce food insecurity. Lindsay Cox said, "Everyone struggles at some point in their life. As nurses, it is our job to meet people where they are and to help them to live healthier lives. By volunteering with Salt and Light, we are helping to ensure these resources are available to those in need."

Lakeview College of Nursing has provided excellence in nursing education since 1894. Lakeview currently offers a bachelor of science in nursing degree program in Danville as well as Charleston, Illinois.
