

**ILLINOIS
POISON
CENTER**

Poison Prevention Education Verification Certificate

Ashley Matusiak

has successfully completed the Illinois Poison Center's Poison Prevention Education Course sponsored by the Illinois Health and Hospital Association (IHA) and presented by the Illinois Poison Center (IPC). The goal of this course is to increase awareness and knowledge of U.S. poison centers and Illinois Poison Center services as well as provide poison prevention education and materials for creating safer home, play, learning and work environments.

This course is eligible for 1 hour of CE credit from Gateways to Opportunity for Illinois childcare providers (Event ID: AE:74710293) and the Illinois Department of Public Health for Illinois: RN, Paramedic, PHRN, EMT-1/AEMT, EMT and FRD/EMS professionals (site code: 0907-00E-0722). The Illinois Health and Hospital Association (IHA) is authorized by the State of Illinois Department of Financial and Professional Regulation (license number 236.000109) to award up to one (1) hour of nurse continuing education credit for this program. The Early Intervention Training Program at the University of Illinois has approved this course for 1 hour of continuing education credit (#13624) for Illinois Early Intervention Service Coordinators, Early Interventionists, and Other Early Intervention Stakeholders.

Michael S. Wahl, MD, Medical Director, Illinois Poison Center
