A group of students from Lakeview College of Nursing will participate in a volunteer opportunity at Crisis Nursery on September 23, 2022, from 8:00 a.m. to 4:00 p.m. Crisis Nursery is located at 1309 West Hill Street, Urbana, IL, 61801. Please contact Jenna Phillips for volunteer sign-up to attend.

Lakeview College of Nursing students will spend time assisting the Nursery with tracking inventory, organizing marketing materials, and catching up on other behind-the-scenes needs. Crisis Nursery received a large donation of clothing from One Week Boutique that will need to be sorted and put into tubs. Volunteers will help to remove safety pins from hundreds of items and prepare them to be laundered. All these tasks are hard for the organization to keep up with while also caring for children 24-7, organizing fundraising events, running parent support groups, and so much more.

Caite Blakeney Westville Illinois, 61883, Kaitlyn Holycross, Danville, Illinois, 61834, Ayeah Vivian Kuma-Biloh Champaign Illinois, 61821, Jamie Rucker, Urbana, Illinois, 61802, Kayla Wolpert Georgetown, Illinois 61846. Our group chose the Crisis Nursery Center because it sounded like it was a wonderful facility that Champaign had to offer for children and mothers who have been through abuse, homelessness, or domestic violence. We chose the Crisis Nursery because it pertains to an area of nursing that we love which involves children and babies. We chose Crisis Nursery because we are all passionate about children, and it was an opportunity for us to know more about this facility and its activities. The group of students chose the Crisis Nursery because it is a good example of community service, serving an entire population in Champaign County. We liked the idea of the Crisis Nursery due to being able to send your children to the nursery without question. That they are willing to help those in need.

Lakeview College of Nursing has provided excellence in nursing education since 1894. Lakeview currently offers a Bachelor of Science in nursing degree program in Danville as well as Charleston, Illinois.
