Mid Term Journal

Discuss how you are feeling so far in clinical?

I feel good I am gaining confidence to be a nurse and feel more comfortable with patients.

What have been good experiences?

I have been able to insert a few IVs and give medications.

Have there been any bad experiences? Could you be nervous about a skill or communication?

Everything has been going well, and I have been getting many opportunities to practice my skills.

Do you need to talk with anyone in private to discuss clinical?

No.

Is there anything else you would like to mention?

Our instructor is knowledgeable and good at putting us with good nurses.
