A group of students from Lakeview College of Nursing will participate in **the Special Olympics Family Festival at Lakeland Community College in Mattoon, IL** on **9/17/2022** from **1000-1400**. The public is welcome to volunteer for this event.

Volunteering at the annual Special Olympics Family Festival is a fun and rewarding experience. SOFF is a great event to volunteer at as hundreds of athletes look forward to this event every year and get to spend the whole day having fun. There are many different volunteer opportunities and positions that will be needed at next year's Special Olympics Family Festival (visit <https://www.soill.org/> if you are interested).

Benjamin Geisler of Charleston, IL (61920), Corinne Monte de Oca of Mattoon, IL (61938), Rebekah Moutria of Arcola, IL (61910), Kathleen Serrano of Chicago, IL (60631), Kaniqua Barnes-McMillian of University Park, IL (60484), and Deanna Braden of Sullivan, IL (61951) chose to pursue this volunteer opportunity because each student felt that they could learn a lot from the experience and the students felt that each of their careers would benefit from having more experience caring for people with disabilities.

Lakeview College of Nursing has provided excellence in nursing education since 1894. Lakeview currently offers a Bachelor of Science in nursing degree program in Danville as well as Charleston, Illinois.

For more information about this event please contact Lakeview College of Nursing at 217-345-3575.
