A group of students from Lakeview College of Nursing will participate in the Fall Family Fun Fest at Camp New Hope in Neoga, Illinois on September 24th, 2022, from 0800-1600. This event is open to the public.

Camp New Hope hosts an annual Fall Family Fun Fest as a fundraiser to benefit the camp and generate funds to allow for financial assistance for families. The event includes a 5K fun run/walk, a car show, inflatables, carnival games, food trucks, boat and train rides, and music. The cost to attend is a \$10 general admission fee with no registration necessary. Registration is required for those wanting to participate in the 5K and the car show. Pre-registration is available, and day-of registration is offered beginning at 0800. The event is located at Camp New Hope at 1364 County Road 100 East in Neoga, Illinois 61938.

Hannah Considine of Pana, IL (62557), Mia Falbo of Willowbrook, IL (60527), Ashley Matusiak of Coal City, IL (60416), Airelle Mitchell of Roseville, CA (95747), Cheyenne Gardner of Mattoon, IL (61938), and Riley Black of Assumption, IL (62510) chose to participate in the Fall Family Fun Fest at Camp New Hope because of the interest in learning more about a respite care facility. This event also provides a rewarding experience as the group members had the opportunity to engage with the campers staying at the facility for the weekend. Gardner used to work at Camp New Hope during their summer camps. Gardner stated, "Going back to Camp New Hope after being away for a few years helped remind me of how beneficial respite care is for the families and for the campers."

Lakeview College of Nursing has provided excellence in nursing education since 1894. Lakeview currently offers a bachelor of science in nursing degree program in Danville as well as Charleston, Illinois.
