Clinical Reflection Form

Name: Chiquita Baker

Date: 2/28/2023

Mid Term Journal

1. Discuss how you are feeling so far in clinical?

Im really enjoying clinical at OSF. I am learning alot and getting good practice for when i finish nursing school.

2. What have been good experiences?

Getting to apply the things we have learned in labs to clinical has been a good experience.

Also talking to the nurses and learning from them has been great.

3. Have there been any bad experiences? Could be you arrvous about a skill or communication?

so far, so good i havent had any bad experiences.

4. Do you need to talk with anyone in private to discuss clinical?

NO

5. Is there anything else you would like to mention?

NO
