

Ages & Stages Questionnaires@

24Month Questionnaire

Please provide the following information. Use black or blue ink only and print legibly when completing this form.

Date ASQ completed: 2/1/23

Child's information

Middle: Quanton

Child's first name: Terron

initial: Child's last name: Littles

Child's date of birth:

11/6/20

Child's gender:

male

Person filling out questionnaire

Middle

First name: Tirae Last name: Littles

initial: A

Street address: 921 MACOMBER DR urbana IL

Relationship to child: nephew

Names of people assisting in questionnaire completion: Terrell littles

PROGRAM INFORMATION

On the following pages are questions about activities children may do. Your child may have already done some of the activities described here, and there may be some your child has not begun doing yet. For each item, please fill in the circle that indicates whether your child is doing the activity regularly, sometimes, or not yet.

Important Points to Remember:

- ☒ Try each activity with your child before marking a response.
- ☒ Make completing this questionnaire a game that is fun for you and your child.
- ☒ Make sure your child is rested and fed.
- ☒ Please return this questionnaire by _____.

Notes:

At this age, many toddlers may not be cooperative when asked to do things. You may need to try the following activities with your child more than one time. If possible, try the activities when your child is cooperative. If your child can do the activity but refuses, mark "yes" for the item.

	YES	SOMETIMES	NOT YET
1. Without your showing him, does your child point to the correct picture when you say, "Show me the kitty." or ask, "Where is the dog?" (She needs to identify only one picture correctly.)	0	0	0
2. Does your child imitate a two-word sentence? For example, when you say a two-word phrase, such as "Mama eat," "Daddy play," "Go home," or "What's this?" does your child say both words back to you? (Mark "yes" even if he or her words are difficult to understand.)	0	0	0
3. Without your giving him clues by pointing or using gestures, can your child carry out at least three of these kinds of directions? ☐ a. "Put the toy on the table." ☐ d. "Find your coat." ☐ b. "Close the door." ☐ e. "Take my hand." ☐ c. "Bring me a towel." ☐ f. "Get your book."	0	0	0
4. If you point to a picture of a ball (kitty, cup, hat, etc.) and ask your child, "What is this?" does your child correctly name at least one picture?	0	0	0
5. Does your child say two or three words that represent different ideas together, such as "See dog," "Mommy come home," or "Kitty gone"? (Don't count word combinations that express one idea, such as "byebye," "all gone," "all right," and "What's that?") Please give an example of your child's word combinations:	0	0	0

1. SCORE AND TRANSFER TOTALS TO CHART BELOW: See ASQ-3 User's Guide for details, including how to adjust scores if item responses are missing. Score each item (YES = 10, SOMETIMES = 5, NOT YET = 0). Add item scores, and record each area total. In the chart below, transfer the total scores, and fill in the circles corresponding with the total scores.

Area	Cutoff	Total Score	0	5	10	15	20	25	30	35	40	45	50	55	60
Communication	25.17	10										☒	☐	☐	☐

3. ASQ SCORE INTERPRETATION AND RECOMMENDATION FOR FOLLOW-UP: You must consider total area scores, overall responses, and other considerations, such as opportunities to practice skills, to determine appropriate follow-up.

If the child's total score is in the area, it is above the cutoff, and the child's development appears to be on schedule. area, it is close to the cutoff. Provide learning activities and monitor.
If the child's total score is in the area, it is below the cutoff. Further assessment with a professional may be needed.
If the child's total score is in the

4. FOLLOW-UP ACTION TAKEN: Check all that apply.

Provide activities and rescreen in months.

Share results with primary health care provider.

5. OPTIONAL: Transfer item responses						
(Y = YES, S = SOMETIMES, N = NOT YET, X = response missing).
