

N443 Leadership and Management

Clinical Evaluation Tool

Student Name: Sophia James

Scoring of Clinical Evaluation Tool:

The clinical evaluation tool will be completed at Midterm and the end of the semester for a Final clinical grade. Each student performance will be assessed using an “M” (Met) or “NM” (Not Met) at Midterm and the Final. Students must receive an “M” for all performances to pass the clinical component of the course by **the completion of the clinical experience**.

COURSE LEARNING OUTCOMES

CLO 1: Demonstrate the role of the professional nurse as a care manager, an advocate, a teacher, a counselor, a change agent, and a nursing leader for providing safe, ethical, and legal nursing care.

	Midterm		Final	
	M	NM	M	NM
Analyze how the manager delegates task in order to provide safe and quality care for the clients	X		X	
Analyze how the manager prioritizes and educates the staff to prioritize, using critical thinking and problem-solving methods	X		X

Analyze how the manager reacts to conflict between nursing units and departments in order to promote collaboration and reduce conflict.	X		X	
Provide safe, comfort and well-being patient care.	X		X	
Seek internal resources to assist in health teaching to meet family's learning needs.	X		X	
Maintain security and confidentiality of all patient and family information.	X		X	

MIDTERM

FACULTY COMMENTS: Sophia is progressing through the N443 Leadership and Management clinical successfully. She is utilizing the clinical opportunity to expand her nursing knowledge, attitudes, and behaviors. Sophia did have an unexcused clinical absence on 3/9 and will need to attend the clinical make up day scheduled for Thursday, April 20th, 2023, at Carle Foundation Hospital in Urbana. Failure to attend (or a second unexcused absence) will result in clinical failure and thus course failure.
