

N431 Adult Health II

Clinical Reflection Form

Name: Courtland Brooks

Date: 3/13/23

Clinical Rotation Site:

1. Briefly write about today's experience(s)

Today I was with wound care team, I dealt with a lot of chronic wounds, and a lot of new bed sores.

2. What is one thing you learned?

I learned about the use of medical honey and the use of basic cleaning on wounds and how to care more for chronic wounds as opposed to new wounds.

3. What is one thing you would do differently?

Ask to help more I basically helped hold feet.

4. What is your major "take home" from today's clinical experience(s)?

Wounds can be fun and still do not bother me at all.

5. Is there anything else you would like to mention?

Not really.
