

N433
INFANT, CHILD, AND ADOLESCENT HEALTH
CLINICAL EVALUATION TOOL

Student Name: Angy Alvarado

Clinical Instructor: H. Irelan

Clinical Day: Fridays

Clinical Site: Carle

Scoring of Clinical Evaluation Tool:

The clinical evaluation tool will be completed at Midterm and the end of the semester for a Final clinical grade. Each student performance will be assessed using an “M” (Met) or “NM” (Not Met) at Midterm and the Final. Students must receive an “M” for all performances to pass the clinical component of the course by **the completion of the clinical experience.**

COURSE LEARNING OUTCOMES

CLO 1: Coordinate with the interdisciplinary healthcare team, family and patient to provide developmentally appropriate health promotion, screenings, and care.

	Midterm		Final	
	M	NM	M	NM
Communicate relevant, accurate, and complete information in a concise and clear manner.	X		X	
Protect confidential information.	X		X

Demonstrate accountability for nursing care given by self and/or delegated to others.	X		X	
Serve as a positive role model within healthcare settings and the community at large.		X	X	
Maintain organizational and client confidentiality.	X		X	

Revised: 12/10/2021

Attendance: arrives/leaves on time; proper notification is given if absent; absent only if ill or absolutely necessary	X		X	
Appearance: appropriate dress, clean, well-groomed, good hygiene; follows guidelines in the student handbook	X		X	
Productivity: uses time wisely; follows safety practices, keeps work area clean & neat; follows directions/procedures	X		X	
Implement nursing strategies to provide cost-efficient care	X		X	

MIDTERM PROGRESS

FACULTY COMMENTS: Angy did a great job as she actively sought out learning opportunities. She was active in-patient care and helped out where she could. Angy asks appropriate questions to the instructor and the nursing staff.

Faculty Signature H. Irelan, MSN, RN, FNP-c Date 2/19/23

STUDENT COMMENTS:

Student Signature Angy Alvarado Date: 3/1/23

FINAL GRADE

FACULTY COMMENTS: Over the clinical experience, Angy's confidence and knowledge increase as evidence in the care she provided to the patients on the pediatric floor. She successfully completed and met the criteria for the Pediatric clinical portion.
