1. Briefly write about your experience(s)

I really enjoyed my time in clinical, I learned a lot working with the nurses, and im thankful for all the hands on experience. Thank you for all of your guidance!

2. What are things you learned?

I learned skills like how to put a catheter in, inserting IV's, medications and there effect on the body.

Therapeutic communication skills and so much more.

3. What are things you would do differently?

I wouldn't be afraid to ask more questions. I was afraid to ask a stupid question.

4. What is your major "take home" from clinical experience(s)?

To do my best, providing quality care to patients, work hard and always be willing to learn.

5. Is there anything else you would like to mention?

Thank you for everything I enjoyed this clinical.
