Lakeview College of Nursing
903 N. Logan Avenue
Danville, IL 61832

To whom it may concern:

I recommend Ms. Jessica Tillman as a nursing student. I had the privilege of being Ms. Tillman's nursing skills lab instructor recently. Her attendance and punctuality was above average. She turned in all required work in a timely manner. Her communication skills are above average.

Over the semester, Ms. Tillman was an eager learner and would ask questions when clarity was needed. She was eager to help her peers out as well.

I understand Ms. Tillman is interested in applying to Lakeview College of Nursing. I feel she will do well in your program and be an asset to the nursing program.

Sincerely,

Ms. Diane Meers, MSN, RN

Ms. J Diane Meers, MSN, RN
