Dear Hiring Management Team,

My name is Karlie Roberts and I am a senior at Lakeview College of Nursing. As a near future nursing graduate, I am excited to be considered a candidate for the Carle Nurse Residency Program. I am confident that my passion for caring for others and wanting to improve lives will make me a strong addition to the healthcare team.

While working as a healthcare tech on a diverse unit, I have worked hard to improve my skills with direct patient care and my patient advocacy skills. I am focused and attentive to detail when put in high-stress situations and having to meet deadlines. I am inspired to make a positive impact by applying my skill and knowledge which allows me to address challenges to achieve positive results.

My academic career has served me well in developing my communication, organizational, and leadership skills. I work well to use clear and concise communication to interact professionally with my co-workers, management team, classmates and patients. I believe my education has prepared me well for this next step in my career.

Ultimately, I am confident that my education, dedication, and hands-on-experience with patient care will make me an ideal fit for your organization. I look forward to meeting and talking with you in person. Thank you for your time and consideration.

Sincerely,

Karlie Roberts
