Dear Hiring Manager,

My name is Davis Coffey and I am seeking employment in the Carle Nursing Residency Program. I intend to obtain full-time employment in the Emergency Department after completing my residency. I am excited to be a member of the Carle nursing staff.

I currently am in my last semester at Lakeview College of Nursing in Charleston, IL. Through this bachelor's program, I have learned several skills such as urinary catheter placement, IV placement, nursing documentation, sterile technique, and other essential nursing skills. Lakeview has taught me to think in critical situations, manage time effectively, and put the patient before myself.

At Lakeview, I was the Vice-President of the Student Government Association and also a member of the Sigma Theta Tau Nursing Honors Society. Lakeview has also helped me become BLS-certified and Mental Health Aide certified.

I currently work as a certified nursing assistant at my local hospital's Emergency Department and on the Medical-Surgical floors as well. This allows me to get more training and learning when not in the clinical setting.

With my academic background, work history, and nursing skill set, I will make a great candidate for Carle's Nursing Residency program. I hope to continue my education and learning through Carle. Thank you for taking a moment to consider my application in the hiring process.

Sincerely,

Davis Coffey
