Check Your Eligibility

You may be eligible for the Lilly Cares program if:

- You are a permanent resident of the United States (exclusive of Puerto Rico and the U.S. Virgin Islands)
- Your healthcare provider has prescribed a qualifying Lilly medication
- The following applies to you with regard to your insurance coverage:
 - You do not enrolled in Medicaid, Full-Low Income Subsidy (LIS, "Extra Help") or Veterans (VA) Benefits.
 - You do not have an insurance plan requiring you to apply to the Lilly Cares Program as a condition of requirement for, or prerequisite to coverage of relevant Eli Lilly and Company medications. A non-comprehensive list of these types of ineligible programs, commonly known as alternative funding programs, patient advocacy programs or specialty networks, is provided below¹ and
 - Either 1) You have no insurance, or 2) you have Medicare Part D, or 3) with respect to infused medications given intravenously (IV), you have Medicare Part B but have no supplemental or secondary insurance (e.g., private insurance offered by former employer, Medigap, Medicare Advantage).
 - You meet the household income guidelines for the program.

See applications for additional program guidelines.
