

Instructions:

Before Scenario:

Required readings from textbook: Table 16-1; Chart 16-11

Required readings: On e360 homepage: read the PDF "Outline of different cultural beliefs at time of death"

Recommended readings from textbook: Read pages 34; 102-112; 387-413;

You will be given a specific scenario upon arriving to the simulation lab. You will then have to act out how you will handle the situation as a nurse. The scenario will be used for evaluating, remediating, and debriefing.

Once the debriefing period is over you will then complete a reflective activity and turn in to the instructor.

Reflective Activity

What are the major take-home lessons for you today?

That we really need to be educated on the different beliefs.
We should not judge and make sure to keep the patients wishes valid.

What are the top three nursing actions related to the dying patient-specific to the patient's cultural needs?

1.) MONITOR PAT RIGHTS 2.) LEARN CULTURAL WISDOM FOR THE CULTURAL RELIGION.

2.) MONITOR PATIENT PRESENT

Who would you, as the nurse, consult to assist during the scenario?

PRIEST, FAMILY, WIFE. ASKING THAT THE CULTURAL BELIEFS WOULD BE HEARD.

How can I adapt my nursing practices to be more responsive to the unique needs of diverse patient populations?

MAKE SURE TO BE EDUCATED ON THE DIFFERENT CULTURALS THAT ARE TYPICAL SEEN SO YOU CAN FOLLOW THEIR WISDOM.

How can I adapt my nursing practices to be more responsive to patients with death and dying process?

MAKING SURE TO KEEP THE PATIENT AS COMFORTABLE AS POSSIBLE WHILE ALSO FOLLOWING THE WISDOM OF THE PT. DUE TO THEIR CULTURAL BELIEFS.

What impact does NOT complete the specific death, and dying practices affect the patient? You as the nurse? The hospital? Healthcare as a whole?

GIVING THE PATIENT MEDICATIONS FOR PAIN RELIEF YET NOT JUST KEEPING THE PT. COMFORTABLE. ALONG WITH NOT FOLLOWING THE PT. CULTURAL WISDOM, AND BEING JUDGEMENTAL.

STUDENT NAME

KAYLA COX SCHMIDT

Cultural Scenario: Post Exercise Evaluation (Likert scale 1-5, least to most)

1) Debriefing with faculty provided an opportunity to self-reflect, which improved my knowledge, skills, and attitude/confidence.

1 2 3 4 (5)

2) Faculty was prepared and facilitated enhanced learning during the debriefing period

1 2 3 4 (5)

3) I recommend the continuation of "Cultural Scenario" and feel it is a valued learning experience.

1 2 3 4 (5)

4) What are some things you have learned today that you will use in your practice?

to make sure I am educated on the diverse cultures
to keep pt. comfortable w/ pain medication and not worried about
vital signs decreasing in the dying process.
