# Score Explanation and Interpretation

## Individual Performance Profile

### ATI PROFICIENCY LEVELS

Proficiency Level	Proficiency Level Definition	Score Range
Needs Improvement	Inadequate to marginal academic performance that indicates little understanding and minimal display of the skills included in the content area for an entry-level nurse.	0.0% to 58.0%
Meets Standard	Satisfactory academic performance indicating a solid understanding and adequate display of the skills included in the content area for an entry-level nurse.	60.0% to 84.0%
Exceeds Standard	Superior academic performance indicating an in-depth understanding and exemplary display of the skills included in the content area for an entry-level nurse.	86.0% to 100.0%

### INDIVIDUAL TOTAL SCORE

The individual total score is a function of the number of questions answered correctly divided by the total number of questions on the assessment. It is on a scale of 0% to 100%.

### TOPICS TO REVIEW

Based on the questions missed on this assessment, a listing of content areas and topics to review is provided. A variety of learning resources can be used in the review process, including content, images, animations, and videos in ATI's Content Mastery Series® Review Modules, online practice assessments, and a Focused Review that is individualized to the questions missed.
