

## Service-Learning Reflection Journal- Ryleigh Wardall

After completing the required 20 service-learning hours, students will complete a reflective journal to communicate how each of the student learning outcomes was met. Students should complete each question pertaining to each outcome.

1. Develop a habit of critical reflection as they integrate professional values and leadership principles throughout their career. (Service Learning outcome #1)
  - a) Provide examples of learning experiences that met outcome #1.
  - b) State the location of the service-learning hours.
  - c) How did the experience will assist with future nursing practice?

a) This location helped me integrate professional values by helping me get more comfortable with the older population in my community. I volunteered during a senior dance at this location and spent some time with the older community.

b) Hoopeston Multi Agency

c) This experience assisted with my future nursing practice because it helped me with my time management skills.

2. Incorporate an ethic of social and civic responsibility into their professional values and practice. (Outcome #2)
  - a) Provide examples of learning experiences that met outcome #2.
  - b) State the location of the service-learning hours.
  - c) How did the experience assist with future nursing practice?

a) This site helped meet outcome #2 by providing a food pantry that I helped organize. The pantry was then given to those in need in the community.

b) Hoopeston multi-Agency

c) This experience assisted with my future nursing practice by helping me get to know my community better. I will be working in this community when I become an RN.

3. Develop an understanding of the complex underlying issues impacting family, population, and community health needs. (Outcome #3)
  - a) Provide examples of learning experiences that met outcome #3.
  - b) State the location of the service-learning hours.
  - c) How did the experience will assist with future nursing practice?

a) This location addresses the homeless population and families who deal with poverty.

b) Hoopeston multi-Agency

c) This experience gave me the knowledge of a community resource I can recommend to people in need when I am an RN.

4. Develop their ability to work collaboratively in a variety of settings. (Outcome #4)

- a) Provide examples of learning experiences that met outcome #4.
- b) State the location of the service-learning hours.
- c) How did the experience will assist with future nursing practice?

a) This location offers several different things, such as senior dances, Narcotics Anonymous classes, a food pantry, and a thrift store.

b) Hoopeston multi-Agency

c) This experience exposed me to the various things the multi-agency does. Which helps me educate myself about these different events.

5. Learn about diverse cultural perspectives and develop a respect for cultural differences. (Outcome #5)

- a. Provide examples of learning experiences that met outcome #5.
- b. State the location of the service-learning hours.
- c. How did the experience will assist with future nursing practice?

a) There were times when people could not take certain things from the food pantry because of their culture.

b) Hoopeston multi-Agency

c) This experience helped me educate myself on different food restrictions in different cultures, which will be important when I am an RN.

6. Observe organizational and community decision making styles and reflect on how these are utilized to promote health and wellness in communities. (Outcome #6)

- a. Provide examples of learning experiences that met outcome #5.
- b. State the location of the service-learning hours.
- c. How did the experience will assist with future nursing practice?

a) This location helps promote health and wellness for the community with their food pantry and education classes for stress relief, drug abuse, and healthy living.

b) Hoopeston multi-agency

c) This location also provides a bus for community bus rides. I was able to educate myself on the service they provide, which helps because I have accepted a job at the ER in Hoopeston as an RN. When I am working and someone needs transportation, I can utilize this service.
