

Abby Erickson
Day Care Observation Report Form
100 points possible

Please complete these forms before your clinical. The observation section of each level will be completed the day of clinical.

Please complete the following information for children up to age 15 months.

Age Appropriate Growth & Developmental Milestones (1.5 points)

1. Birth weight tripled by 1 year
2. Birth length increases 50% by 1 year
3. 6-8 teeth by 1 year

Age Appropriate Diversional/Distrraction Activities (1.5 points)

1. Rattles
2. Teething toys
3. Playing with blocks

Psychosocial Development:

Which of Erikson's stages does this age group fit in? (2 points)

- Trust vs. Mistrust

What behaviors would you expect? (Give at least 2 examples) (2points)

1. Stranger fear between 6-8 months
2. Separation anxiety begins around 4-8 months

What did you observe? (2 points)

1. Child was very bashful around students. She was hiding behind her teacher.
2. Child was crying when her mother was leaving daycare center.

Cognitive Development:

Which stage does this group fit in, using Piaget as a reference? (1 points)

- Sensorimotor stage

What behaviors would you expect? (Give at least 2 examples). (2 points)

1. Holds bottle
2. Grasps objects by its handle

What did you observe? (2 points)

1. Infant attempting to hold bottle while being fed by student
2. Infant holding rattle by its handle and chewing on it

Vocalization/vocabulary: Give examples of what a child at this age would be vocalizing. (Give at least 2 examples). (2 points)

1. Says 3-5 words by 1 year
2. Crying is their method of communication

What did you observe with vocalization? (2 points)

1. Crying when hungry/needling changed
2. Infant cooing at rattle

Any concerns? (1 points)

- No concerns noted

Any concerns regarding growth and development? (1 points)

- No concerns regarding growth or development

Please complete the following information for children age 15 months.

Age Appropriate Growth & Developmental Milestones (1.5 points)

1. Walks without help
2. Creeps up stairs
3. Builds a tower of two blocks

Age Appropriate Diversional/Distraction Activities (1.5 points)

1. Solitary play
2. Playing with books
3. Push-pull toys

Psychosocial Development:

Which of Erikson's stages does this age group fit in? (2 points)

- Autonomy vs. Shame and doubt

What behaviors would you expect? (Give at least 2 examples) (2points)

1. Independent/attempt to do everything themselves
2. Ritualism provides a sense of comfort for toddler
3. Separates from parents
4. Spontaneously shows affection
5. Doesn't take turns

What did you observe? (2 points)

1. Toddler using sippy cup and feeding themselves during snack time
2. Climbing/pulling themselves up onto things

Cognitive Development:

Which stage does this group fit in, using Piaget as a reference? (1 points)

- Sensorimotor stage

What behaviors would you expect? (Give at least 2 examples). (2 points)

1. Domestic mimicry is evident
2. Progress from simple repetitive to imitative activities
3. Uses all senses to explore environment
4. Places items in and out of containers

What did you observe? (2 points)

1. Toddler playing house
2. Toddler playing peek-a-boo

Vocalization/vocabulary: Give examples of what a child at this age would be vocalizing. (Give at least 2 examples). (2 points)

1. Uses one word sentences
2. Repeats words

What did you observe with vocalization? (2 points)

1. Toddler stated they wanted milk with their breakfast cereal
2. Toddler yelling at another child for taking their toy

Any concerns? (1 points)

- No concerns noted

Any concerns regarding growth and development? (1 points)

- No concerns regarding growth and development

Please complete the following information for children age 2 yrs.

Age Appropriate Growth & Developmental Milestones (1.5 points)

1. Builds a tower of 6 or 7 blocks
2. Turns pages of books one at a time
3. Walks up/down stairs by placing both feet on each step

Age Appropriate Diversional/Distraction Activities (1.5 points)

1. Tossing balls
2. Finger paints
3. Large-piece puzzles

Psychosocial Development:

Which of Erikson's stages does this age group fit in? (2 points)

- Autonomy vs. Shame and doubt

What behaviors would you expect? (Give at least 2 examples). (2 points)

1. Parallel play
2. Temper tantrums when toddler is frustrated
3. Has a sense of ownership
4. Starts to think before acting
5. Makes mechanical toys work

What did you observe? (2 points)

1. Children playing on playground equipment together
2. Toddlers playing with cars next to each other

Cognitive Development:

Which stage does this group fit in, using Piaget as a reference? (1 points)

➤ Preoperational stage

What behaviors would you expect? (Give at least 2 examples). (2 points)

1. Concept of object permanence becomes fully developed
2. Cannot understand others viewpoints

What did you observe? (2 points)

1. Toddler blowing bubbles after teacher showed her how
2. Toddler would not share toys with each other

Vocalization/vocabulary: Give examples of what a child at this age would be vocalizing. (Give at least 2 examples). (2 points)

1. Using multiword sentences by combining two to three words
2. Toddler knows about 300 words

What did you observe with vocalization? (2 points)

1. Toddlers understand “no”
2. Toddlers could follow simple commands/directions

Any concerns? (1 points)

- No noted concerns

Any concerns regarding growth and development? (1 points)

- No concerns regarding growth and development

Please complete the following information for children age 3 years.

Age Appropriate Growth & Developmental Milestones (1.5 points)

1. Gains about 2-3 kg per year

2. Jumps off bottom step
3. Stands on one foot for a few seconds
4. Bends over easily without falling

Age Appropriate Diversional/Distraction Activities (1.5 points)

1. Playing ball
2. Riding a tricycle
3. Hand puppets

Psychosocial Development:

Which of Erikson's stages does this age group fit in? (2 points)

- Initiative vs. guilt

What behaviors would you expect? (Give at least 2 examples). (2 points)

1. Show guilt when they misbehave
2. Asserts independence
3. Likes to please parents
4. Acts out roles of other people

What did you observe? (2 points)

1. Child cried when disciplined by teacher
2. Children like to play together

Cognitive Development:

Which stage does this group fit in, using Piaget as a reference? (1 point)

- Preoperational stage (Preconceptual)

What behaviors would you expect? (Give at least 2 examples). (2 points)

1. Develop imagination and memory
2. Engage in make believe
3. Has short attention span

4. Able to classify and relate objects

What did you observe? (2 points)

1. Playing dress up and playing doctor
2. Children acting like animals while outside

Vocalization/vocabulary: Give examples of what a child at this age would be vocalizing. (Give at least 2 examples). (2 points)

1. Speak in 3 to 4 word sentences
2. Understands most sentences
3. Participates in short conversations
4. Understands around 1000 words

What did you observe with vocalization? (2 points)

1. Understands simple directions and commands
2. Children like introducing themselves
3. Child asked "why?" numerous times

Any concerns? (1 points)

- No concerns noted

Any concerns regarding growth and development? (1 points)

- No noted concerns regarding growth and development

Please complete the following information for children age 4 years.

Age Appropriate Growth & Developmental Milestones (1.5 points)

1. Skips and hops on one foot
2. Throws ball overhead
3. Catches ball reliably
4. Average height is 103.7 cm

Age Appropriate Diversional/Distractive Activities (1.5 points)

1. Electronic games
2. Painting
3. Putting puzzles together

Psychosocial Development:

Which of Erikson's stages does this age group fit in? (2 points)

- Initiative vs. guilt

What behaviors would you expect? (Give at least 2 examples). (2 points)

1. Develops conscience
2. Feels remorse when they misbehave
3. Cooperates with other children
4. May take frustrations out on siblings

What did you observe? (2 points)

1. Children doing puzzles with each other
2. Kicking/throwing balls to each other
3. Liked being read to

Cognitive Development:

Which stage does this group fit in, using Piaget as a reference? (1 points)

- Preoperational stage (Preconceptual)

What behaviors would you expect? (Give at least 2 examples). (2 points)

1. Short attention span
2. Displays animism
3. Active imagination
4. Understands the concept of opposites (hot/cold)

What did you observe? (2 points)

1. Completed puzzles together

2. Presented their show and tell to the class
3. Doing gymnastics outside

Vocalization/vocabulary: Give examples of what a child at this age would be vocalizing. (Give at least 2 examples). (2 points)

1. Speaks in complete sentences with adult-like grammar
2. Understands around 1,500 words
3. Knows names of familiar animals
4. Knows at least one color
5. Tells a story that is easy to follow

What did you observe with vocalization? (2 points)

1. Asked many questions
2. Talked about parents/siblings
3. Talks about their favorite book

Any concerns? (1 points)

- No concerns noted

Any concerns regarding growth and development? (1 points)

- No concerns regarding growth and development

Please complete the following information for children age 5 years.

Age Appropriate Growth & Developmental Milestones (1.5 points)

1. Stands on one foot 10 seconds or longer
2. Swings and climbs well
3. Uses fork, knife, and spoon well
4. Cares for own toileting needs

Age Appropriate Diversional/Distractive Activities (1.5 points)

1. Skating
2. Swimming
3. Outdoor play
4. Putting puzzles together

5. Simple sewing

Psychosocial Development:

Which of Erikson's stages does this age group fit in? (2 points)

- Initiative vs. guilt

What behaviors would you expect? (Give at least 2 examples). (2 points)

1. Interacts well with others
2. Likes exploring new things
3. Negotiates solutions to conflicts
4. Initiates activities with others

What did you observe? (2 points)

1. Children started a basketball game
2. Children excited about show and tell and listened to each student
3. Taking turns picking a puzzle piece

Cognitive Development:

Which stage does this group fit in, using Piaget as a reference? (1 points)

- Preoperational stage (intuitive)

What behaviors would you expect? (Give at least 2 examples). (2 points)

1. Very curious about facts
2. Begin to question parent's values
3. More realistic sense of casualty
4. Knows acceptable cultural rules

What did you observe? (2 points)

1. Children asking student their name, what they are doing there
2. Children able to follow multiple simple commands (ex. Clean up, line up)

Vocalization/vocabulary: Give examples of what a child at this age would be vocalizing. (2 points)

1. Explains how an item is used
2. Talks about past, present, and future
3. Can count to at least 10
4. Says name and address
5. Understands around 2,100 words

What did you observe with vocalization? (Give at least 2 examples). (2 points)

1. Children liked to introduce themselves
2. Able to count in class
3. Able to list things that begin with the stated letter (ex. A- apple)
4. Able to hold a conversation

Any concerns? (1 points)

- No concerns noted

Any concerns regarding growth and development? (1 points)

- No concerns regarding growth and development

No school age children available during clinical rotation

Please complete the following information for children of school age (5-11 years) if available during your rotation.

Age Appropriate Growth & Developmental Milestones (1.5 points)

- 1.
- 2.
- 3.

Age Appropriate Diversional/Distractive Activities (1.5 points)

- 1.

2.
