Don't Call Me Crazy: Episode 2- Crystal and Beth

Objective: The goal of the activity is to observe the clients/peers and clients/staff interactions and relationships while on the Psychiatric Unit and how mental illness impacts their lives.

1. Describe the Crystal: _____ (5 points)
Crystal is an adopted teenage girl with brown hair suffering from mental health issues. To her, scary characters have been appearing, and that is the reason she is now being hospitalized for it. She hears them tell her to do stuff, and she feels that she has to do it.
2. Identify two (2) priority client problems for Crystal. _____ (2 points)
Crystal is hearing voices and feeling she must do the actions they tell her to do. She is also not eating as she appears preoccupied in the film.
 - a. Name two (2) short term goals for Crystal.
One strategy is to work on eating. She feels that she can not eat because he will kick and scratch her. Crystal can also use art to help explain her world to the therapists. Having her converse with therapy staff about her childhood could also be an intervention.
 - b. What support groups are available for Crystal? _____ (1 points)
Most hospitals offer psychosis Support Groups and Schizophrenia Groups.
3. How has Beth changed from the first episode to the second episode? _____ (2 points)
Beth is now under the mental health act and lost her ability to say no.
4. Identify two (2) priority client problems for Beth at this point in her treatment.
_____ (2 points)
Beth needs to be able to not rebel and to comply with the doctor's orders. She is also going to be with them for a while, so getting used to the system will be necessary.
 - a. Name two (2) **different** short-term goals for Beth. Identify two (2) nursing interventions for each goal. How would you evaluate the effectiveness of the nursing interventions?
_____ (2 points)
Beth needs to try to comply with health care professionals. She also needs to be able to work with the staff to help her live a healthy life. A goal with eating is essential as she is not willing to eat on some days. The rainbow program she is on could be a good goal of obtaining the required calories.
5. Discuss the self-harm seen in this documentary. _____ (2 points)
Some of the patients were hiding blades in the blue tack as a way to conceal the sharps. In the film, Beth tells about how she does everything she can to hide the scars and would go as far as to not even change near people while in college.
