A group of students from Lakeview College of Nursing will participate in the Legacy Project at Crisis Nursery, Effingham, IL on March 9th from 8 AM to 2 PM. This is a required project for school.

Those who use Crisis Nursery's services can expect their children to be safe when they come here. There are food, diapers, places to sleep or nap and a play area where they can roam and play. Crisis Nursery is fully funded by surrounding hospitals and they also take donations from those who aren't going to use products such as formula, snacks for toddlers to eat, clothes and even toys. Crisis Nursery is open around the clock in case they have emergencies where a child needs to come stay. Crisis Nursery is located in Effingham, IL.

Kaitly Taylor - Charleston, IL 61920
Breanna Schoonover - Pana, IL 62557
Justine Funneman - Effingham, IL 62401**

We as a group decided to pursue this effort with Crisis Nursery of Effingham, IL because we thought it was amazing that they do all of this for children in need. Their services help children get out of troubled homes, have temporary stays for when the parents are looking for a new place to live or just for a couple hours of childcare. This service also helps those who are in need of formula, food or diapers and we all thought that was really amazing of them to provide for so many counties.

Lakeview College of Nursing has provided excellence in nursing education since 1894. Lakeview currently offers a bachelor of science in nursing degree program in Danville as well as Charleston, Illinois.

For more information about this event please contact Lakeview College of Nursing at **217-345-3575 FOR CHARLESTON CAMPUS.**
