

One Minute Paper

N431 Adult Health II

03-26-20

What was the most confusing concept discussed in class today?

What were the most important points of this lecture?

What one thing from this lecture is most significant to your personal learning?

What was the “muddiest point” for you in today’s lecture? (What question(s) do you still have?)

Is there anything else you would like to mention?
