### Cultural Diversity

1 hr

- Work through each aspect of the video
- In a Paragraph Form do the following activities
  - **Activity #1- What types of communication were used? Describe**  
Non-therapeutic- when the nurse walked into the house without anyone answering the door.  
**Therapeutic:** asking appropriate questions.
  - **Activity #2- What ways can the nurse provide culturally sensitive nursing care?**  
By respecting the client beliefs. A nurse can not be judgmental of a patient;s beliefs.
  - **Activity #3- What factors are in a Cultural Assessment?**  
Factors including any certain belief they have. Foods, eye contact, ect.
