

## Nursing Liability Legal roles for nurses

2 hr

- o Work through each aspect of the module lesson 1-5
- o In a Paragraph Form do the following activities
  - **Activity #1- What are the most common allegations that nurse will face? What would you do in your practice to protect your client and yourself from litigation?**

Accidental injuries due to being in a hurry are common. It is important to always take you time and perform task diligently.
  - **Activity #2- What was the root cause of the top two high risk incidents?**

Time management and laziness.
  - **Activity #3- Why do you think it is important for new grads to work in the hospital that has a Rapid Response Team? As a new nurse what do you think would prevent you from calling an RRT?**
  - A new grad will learn by hands on experience this way. It is crucial to be confident in your calling a rrt, so don't hesitate if it will save someone life.
  - **PLACE a Screen Shot of the completed module and your written responses to the above activity questions in the corresponding Dropbox**
