

Tetralogy of Fallot (TOF) Interior View

LV: Left ventricle

RV: Right ventricle

LA: Left atrium

RA: Right atrium

AO: Aorta

PA: Pulmonary artery

● Oxygen-rich blood

● Oxygen-poor blood

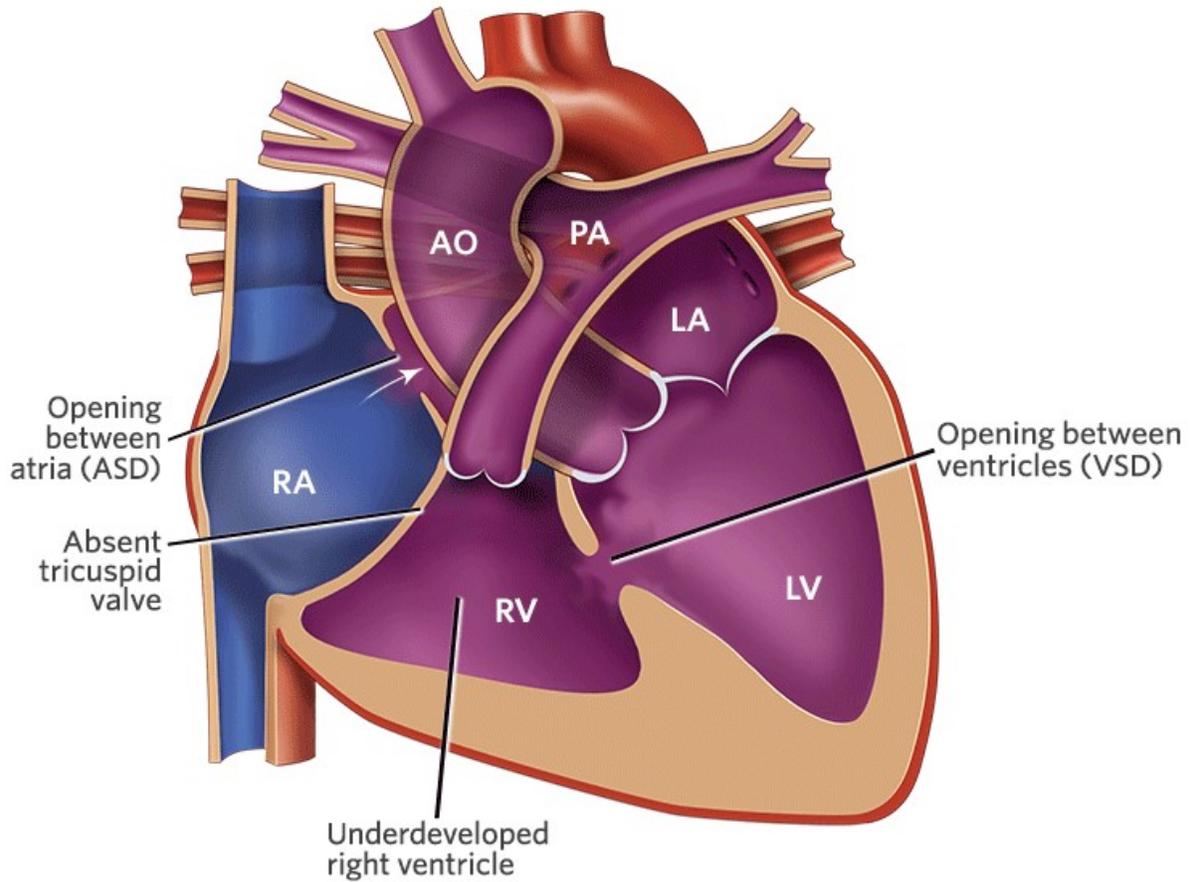

● Mixed blood

● Mixed blood

Oxygenation of Blood?	Greater Pressure?	Pulmonary Flow?	Defect?

Tricuspid Atresia

- Oxygen-rich blood
- Oxygen-poor blood
- Mixed blood

AO: Aorta

LA: Left atrium

RA: Right atrium

PA: Pulmonary artery

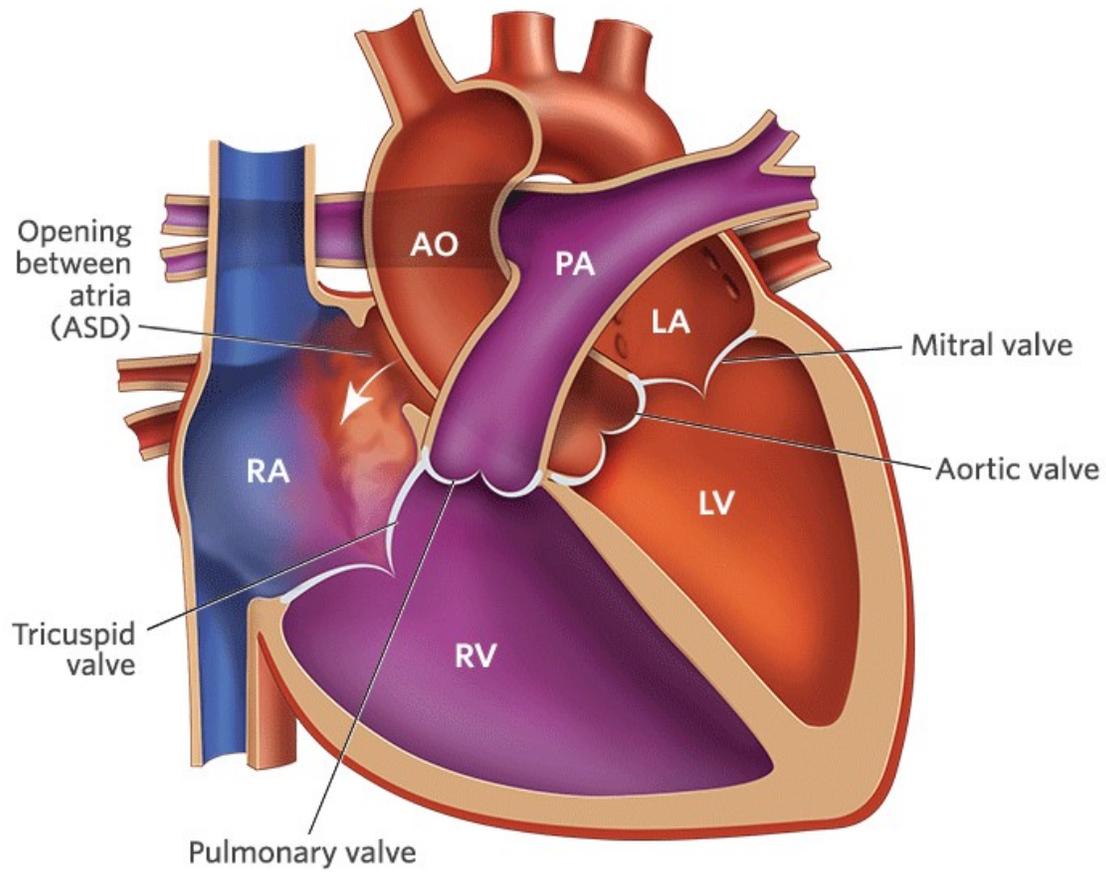

LV: Left ventricle

RV: Right ventricle

<u>Oxygenation of Blood?</u>	<u>Greater Pressure?</u>	<u>Pulmonary Flow?</u>	<u>Defect?</u>

Atrial Septal Defect (ASD)

- Oxygen-rich blood
- Oxygen-poor blood
- Mixed blood
- Mixed blood

AO: Aorta

LA: Left atrium

RA: Right atrium

PA: Pulmonary artery

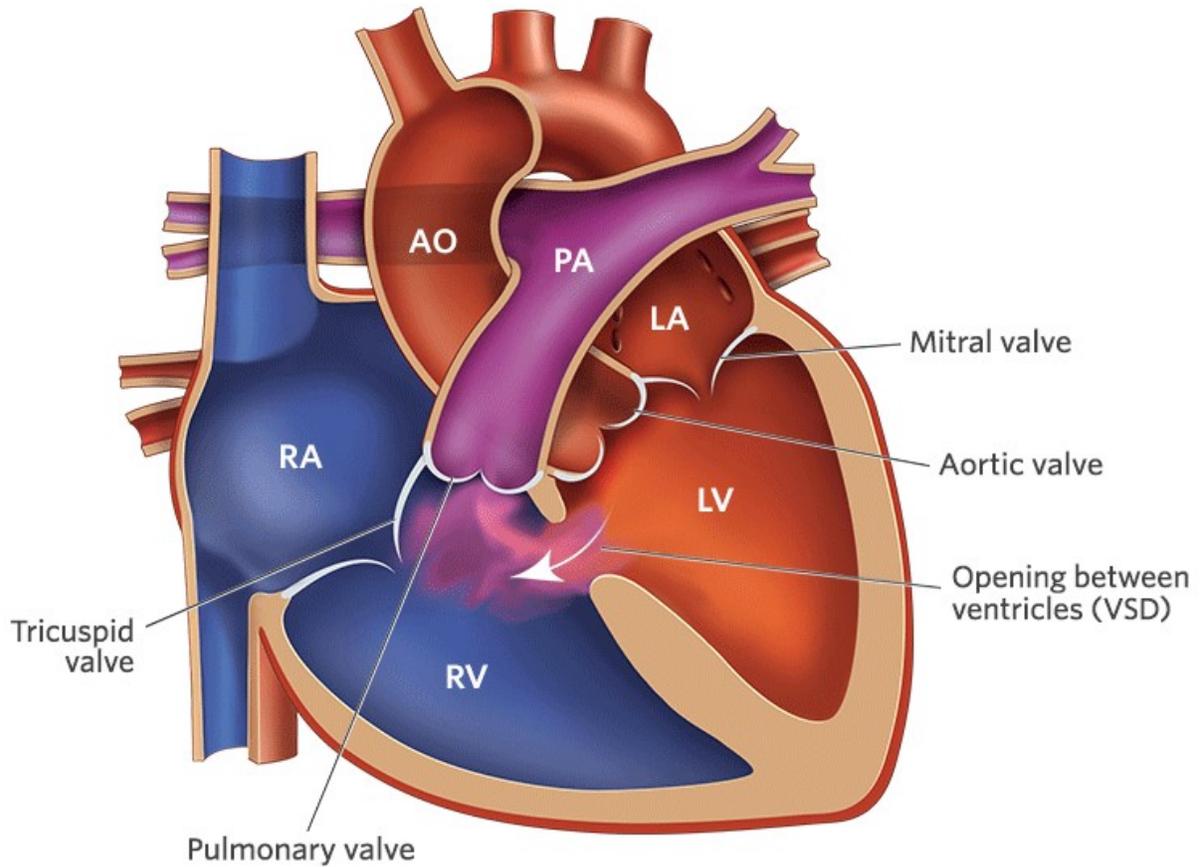

LV: Left ventricle

RV: Right ventricle

<u>Oxygenation of Blood?</u>	<u>Greater Pressure?</u>	<u>Pulmonary Flow?</u>	<u>Defect?</u>

Ventricular Septal Defect (VSD)

- Oxygen-rich blood
- Oxygen-poor blood
- Mixed blood
- Mixed blood

AO: Aorta

LA: Left atrium

RA: Right atrium

PA: Pulmonary artery

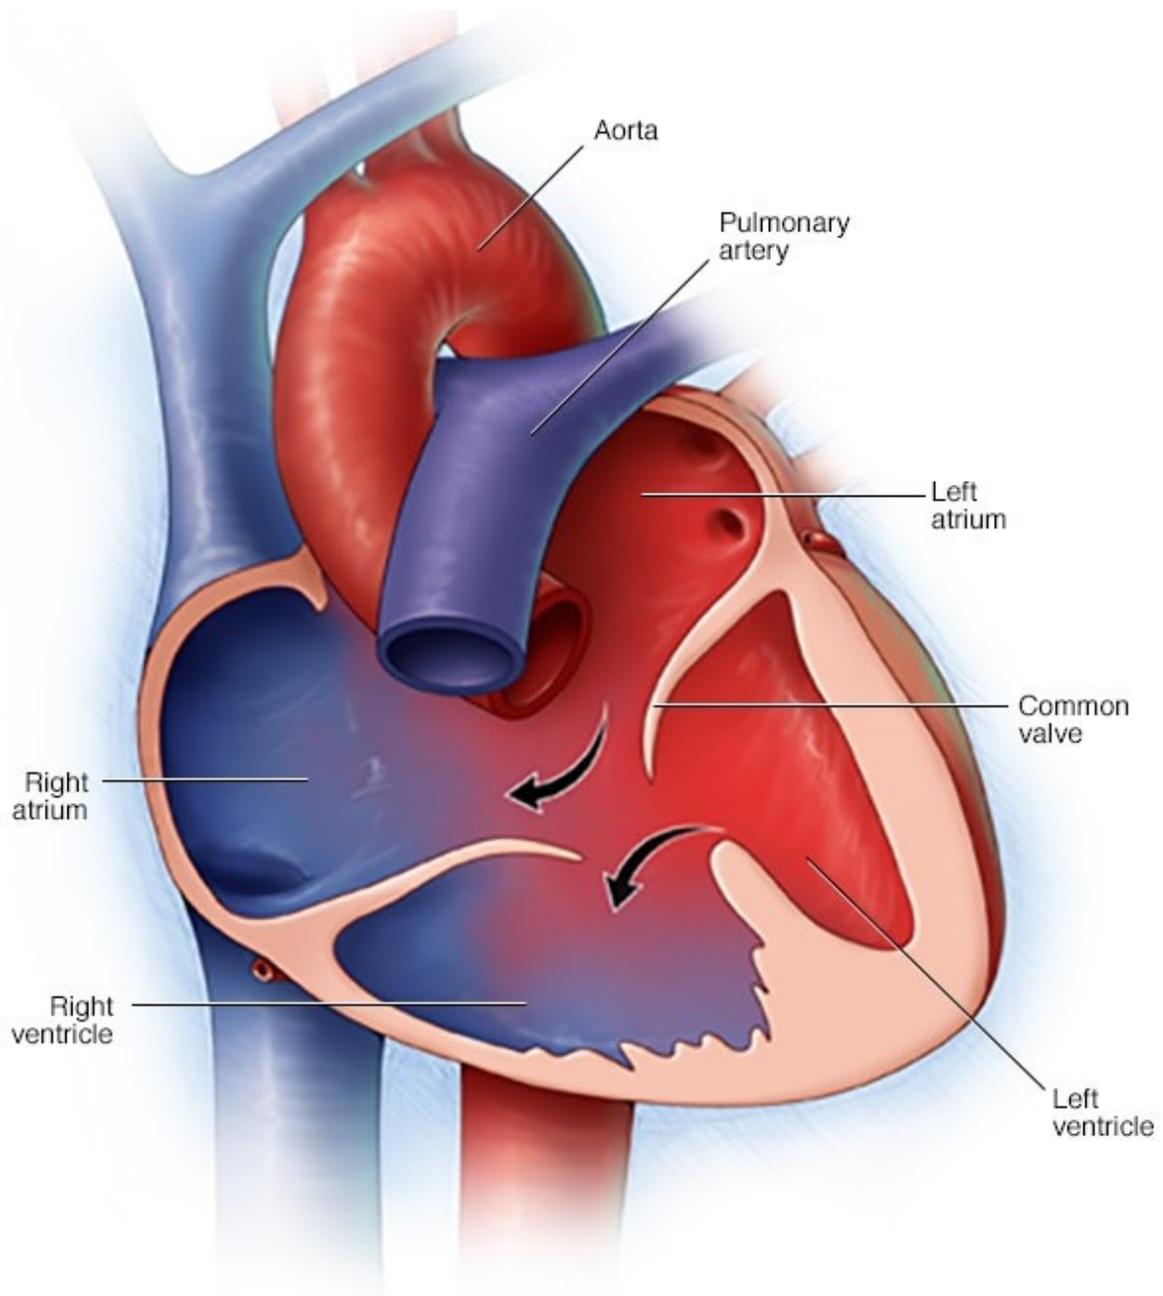

LV: Left ventricle

RV: Right ventricle

<u>Oxygenation of Blood?</u>	<u>Greater Pressure?</u>	<u>Pulmonary Flow?</u>	<u>Defect?</u>

Patent Ductus Arteriosus (PDA)

- Oxygen-rich blood
- Oxygen-poor blood
- Mixed blood

AO: Aorta

LA: Left atrium

RA: Right atrium

PA: Pulmonary artery

LV: Left ventricle

RV: Right ventricle
