

To change your password for the first time, go to <https://secure.carle.com>

It will look like this:

After you login you will see a screen like this:

1

Enter your old and new password and click OK. You will then see a message that your password has been changed. Click OK, and then click Log Off in the upper right corner of the next screen.

Now go to <https://vpn.carle.com>

Login with your username and new password. Leave Realm set to "I do not have a SecureID Token".

Welcome to the Carle Web-VPN

Username

Please sign in to begin your secure session.

Sign In

You should now have the following options. Each one will open a new window. When finished click on "Sign Out" in the upper right-hand corner.

The screenshot shows the Carle Web-VPN dashboard. At the top left is the Carle logo. At the top right are navigation links: Home, Preferences, Help, and Sign Out. Below the navigation is a welcome message: "Welcome to the Carle Web-VPN, carle_logon\dbuttry!". Underneath is a "Web Bookmarks" section with a dropdown arrow. The bookmarks list includes:

- [INP000 Overview of Hyperspace](#)
- [INP007 Tracking Patient Assignments](#)
- [INP230 Overview of the MAR](#)
- [INP240 Overview of Flowsheets](#)
- [HIPPA, Corporate Compliance, and Safety Orientation](#)
- [HIPPA, Corporate Compliance, and Safety Quiz](#)
