

Strengths

- We have a very strong youth department that is tailored to the growing youth population.
- We service the community not only on Sunday with the word but twice a week with our food delivery and a fully stocked pantry.
- Our health and educational service is also available to our members and non-members a while

Weaknesses

- A lack of leadership ethics among leaders and lay- leaders on the protocol of church planting.
- An under development of the truth essence of servant leadership.
- A Lack of a systemic follow up program for those that have left for unknown reason.
- Lack of funds to do more community work ex. Pantry, outreach, etc.

Lack of funds to be able to do more community work ex. Pantry, outreach etc
Not enough space in building to have

different programs.

Opportunities

- We have a very robust leadership development program where our team identifies and develop the skills and talents among us for the work of the ministry.
- Lay-person are granted the opportunity to travel to the foreign Mission field to explore where the fit in the overall vision of the church.
- Our counseling outreach collaborate with several clinicians to provide ongoing support to church members and members of the community.

Threats

- Some of our strengths have been our greatest weaknesses. Several of the leaders we have developed have prematurely leave to plant churches less than 10 miles away from our church creating a slip.
- The split often draws from the small pool of musicians and worship leaders putting a strain on the quality of worship.
- Not enough space in building to have facilitate more programs.
