DAC: Lynae reported on Kevin's work/activities at the DAC. He has been needing verbal prompts to do a thorough job vacuuming and cleaning windows; it appears he rushes through his jobs. His DAC outcomes were discussed. He will continue with cleaning at the DAC with fewer verbal prompts; and he will continue to vacuum x1/week at a job site. The outcome focusing on cleaning his glasses daily will be discontinued and monitored informally. Katie asked Kevin if he would like to attend the DAC on Thursday also and he replied "yes". Therefore, starting tomorrow, 6/15/25, Kevin will be attending the DAC M, W, Th and Fri. Lynae also reported that Heather from Options has an appt with Kevin on June 4<sup>th</sup> at the DAC to discuss community employment. Kevin stated he likes going to the DAC, doing the activities that are planned and the outings. He then said he needed \$10 to go horseback riding at the horse farm (an outing that is planned through the DAC).

Other: Kevin talked about his cat, Dorothy, and said he and his brother took her to the vet for her vaccinations. MaryKay helped Kevin in making the appt. He has an appt on 5/20 for a haircut and beard trim. Pat, neighbor, helped him change the filter in his water softener. He will also need to replace the filter in his furnace unit.
