

August 20, 2019

Dear Participant,

On behalf of SAMHSA, the National Council for Behavioral Health and the National Association of State Mental Health Program Directors (NASMHPD), we would like to thank you for viewing the webinar: ***The Safety Planning Intervention to Reduce Suicide Risk*** presented online Tuesday, August 20, 2019 from 1:30pm- 3:00pm Eastern Time (1.5 hours) with Dr. Barbara Stanley, Professor of Medical Psychology in the Department of Psychiatry at Columbia University and Director of the Suicide Prevention Training, Implementation and Evaluation (SP-TIE) program in the Center for Practice Innovations at New York State Psychiatric Institute, Dr. Gregory Brown, Principal Investigator/Co-Investigator on research grants from the National Institute of Mental Health, American Foundation for Suicide Prevention, Department of Veterans Affairs, and the Department of Defense and moderated by Flannery Peterson, Senior Manager in Practice Improvement for the National Council for Behavioral Health.

We hope you found the information useful.

Sincerely,

A handwritten signature in black ink, reading "Kelle M. Masten". The signature is written in a cursive, flowing style.

Kelle M. Masten
Senior Project Associate
