

Professional Series Pre-Course Work

*Interview your Direct Supervisor in order to answer the following questions.*

1. What do you want me (the student) to learn or achieve from the NADA Management Professional course?

More confidence in doing the role  
info and ideas to set a daily schedule  
more understanding into job responsibilities

2. What would you like me to bring back to the workplace as a result of this training?

fresh ideas  
input from other managers on how they do the day to day operations

3. How will what I learn in the program be shared with the rest of the team (if applicable)?

we will have a meeting to discuss what I have learned

4. How will what I learn be integrated into day-to-day work upon return?

hopefully it will allow me to set a schul. for better time management

Professional Series Pre-Course Work

5. In your role as a Direct Supervisor, what three things challenge you the most?

- time management
- lack of experience
- setting a schul.

Self-reflect on the following question:

1. What is my purpose for attending this course?

to gain knowledge , and understand the role of parts management.

Thank you for your participation! See you in the course.
