

Parts Manager Questions

Have your parts manager answer the 78 questions found in this zip file. Confer and provide suggestive actions. (50 points) Provide your answers in a different color font.

1. How often is your dealerships source pricing levels reviewed for competitive maintenance and heavy repair? *twice yearly*
2. Compare the pricing policies in the parts department and see how competitive your Dealership is within your area.
3. Verify with the use of market surveys on selected parts prices in your area as to whether you are competitive with others. You don't have to be the lowest to sell more, but too little or too much profit can keep you from being competitive.
4. Does the computer system you have follow one or more of the pricing guides for various types of customers? Review the pricing structure with the manager and determine areas of profit potential. Policies in wholesale, retail counter, service department, employees, etc., need to be established. *yes*
5. Do you have in place policies and DMS controls (via Exception or Deviation Reports) to prevent counter people from changing the pricing structure during daily transactions? What about Service Advisors? *Advisors do NOT Counter people may adjust*
6. Is there a process followed to prevent the costing of parts at other than the established factory (OE) cost within the dealership when parts are placed into the inventory? (done through the use of +/- inventory adjustment account(s)) *NO*
7. Regardless of parts cost (due to various sourcing opportunities (Jobber/Wholesale Distributor), are they all costed at the same factory price to maintain accurate inventory value? *yes*
8. How are discount purchases tracked in the system to show additional profit based on the cost of the part from a particular source other than factory price? *yes, there is a separate account set up for that*
9. Do you have an internet presence for your parts department? *through our website*
10. What type of merchandising programs do you have in effect? What is the relative cost versus sales generated as a result of the programs? *direct mail*
11. Is an outside salesperson active in your parts department? Are the sales at a level that "pays" for the employee or could the accounts be maintained on a part-time basis by the manager? *NO*

12. Do you have factory merchandising dollars available, and if so, how much of those dollars have been spent year-to-date by the dealership? What must be done to qualify for more expense sharing in merchandising by the factory and the dealership? *yes, we try to utilize 100% between parts & service*
13. With the growing use of mobile smartphones by customers do you have a mobile ready website? *yes*
14. Do you periodically check your online internet Parts coupons? How often are they checked? How often are they updated? *yes, quarterly*
15. Pay plan reviews should be made at least on a monthly basis. When has a comparison been made between departmental gross profit and the personnel expenses for the department? Is the current sales level providing a sufficient profit for the pay levels established for the parts employees? *yes*
16. Does the parts department actually seek additional revenue or "live off" the sales of the service department only? If not why not? *yes, wholesale sales*
17. Is a program set up to sell accessories to the customer in the sales department as well as the parts area of the dealership? If not, are you leaving potential sales and gross profit on the table? *NO program in place, plan to implement one this year*
18. Do you review wholesale customers weekly to see if parts sales dollars per customer and returns justify the expense of conducting business with them? For example, delivery 30 miles out of town to a customer ordering \$300 a month of parts at Cost+20% may not justify the delivery service. *yes, they are reviewed monthly*
19. Do you study your wholesale market opportunity with the dealership's area of influence? Who's the major player and can you unseat them? Can you make a difference against your competition? Can you deliver 2-3 times a day? Within what mileage radius? *cannot compete with our larger sister store*
20. Who verifies the "wholesale" customer applications to make certain they are really true wholesale customers? Are your state Tax-ID/Wholesale Certificates current (within the last two years?) *parts mgr and assistant.*
21. Discuss monthly expense control with the parts manager and identify specific areas under the manager's control. If expenses are allocated and not charged on a controlled basis, consider basing pay programs on sales or gross rather than net profit as part of the plan. *expenses are monitored & controlled*
22. Who determines credit approval for parts customers and what screening system is applied? Who follows the receivables list in a timely manner to make certain payment is made by the customer without exceeding the account limits? *parts manager and acctg office. office manager checks receivables*

23. Is the financial statement for the parts department given to the manager and discussed on a weekly/monthly basis? *NO, but composites are reviewed*
24. What are the special parts ordering policies for SORs? Where is it written and posted? When was it reviewed and what level of management approved it?
25. Do you require 100% pre-payment on these parts? Do you differentiate between Counter Retail/Wholesale and Service RO? *yes we do on both, wholesales are looked at individually, service is discretion of svc advisor*
26. What time is set to retain these parts and then initiate a return? Is a return charge made on customer pay parts that are returned because the customer did not return for them within a time limit? *Hold time is 30 days for customer, after 30 days they are for sale to anyone, parts are held 11 months and return charges*
27. Who are the parties that are involved in the SOP process start to finish? *are applied, advisor, counter person, manager*
28. Are special order forms completed in a legible manner so that the customer information can be read? *all are done on JMS*
29. Where are special order parts for the service department located? Who notifies the customer the part is in, and who determines when to send the parts back if no response is made by the customer? Is anyone designated to follow up on SOP's, the lack of return? *special holding areas, parts manager and sales team determine returns.*
30. See if special order parts are carried in a separate section of the parts inventory to maintain control. Or they inserted into the regular inventory? *separate unless they are a stocking item.*
31. Who administers and controls the Purchase Order system (DMS/book)? What dollar amount of fixed asset purchase can be made without approval above parts management level? Who sets and monitors these \$\$ levels and total open PO's and open PO \$'s? *parts manager*
32. Does anyone other than the parts manager have direct purchasing authority from outside vendors? Who oversees the Parts Manager? (Double signatures, Perusing the Parts Dept. purchase invoices) *parts sales associates
General manager is over parts manager*
33. Who established internal parts pricing policies? Are all internal purchases centralized and run through the Parts Department for control purposes? *parts & General manager yes all purchases go through parts*
34. Does the value of the parts inventory on the parts computer exceed, or is it less than, the financial statement dollar amount? (Monthly Reconciliation Exercise) *usually exceeds by 3 to 5%*
35. If the accounting inventory value is higher than the parts computer, look for the parts inventory missing items (uncontrolled inventory). (Monthly Reconciliation Exercise)

36. If the accounting inventory value is less than that of the parts inventory value does this indicate an abnormal condition? (If not, why?) (Monthly Reconciliation Exercise) *Not necessarily. there could be invoices that are not posted.*
37. If LIFO is used, when inventory value is used to calculate days' supply, etc., the actual value should include the LIFO reserve.
38. Is there an employee responsibility to function chart as was discussed in class? Are there specific inventory transactions (Grading, Ordering, Receipting, Posting, Adjustments, Bin Count Inventory, Returns, Cores/Dirty Cores) assigned to each of the employees in the parts department? (Functions vs Employee Exercise)
parts warehouse clerk, but all parts employees are entitled to do each process
