

## Parts Manager Questions

Have your parts manager answer the 78 questions found in this zip file. Confer and provide suggestive actions. (50 points) Provide your answers in a different color font.

1. How often is your dealerships source pricing levels reviewed for competitive maintenance and heavy repair? *Quarterly I believe*
2. Compare the pricing policies in the parts department and see how competitive your Dealership is within your area. *Slightly Above Area Average*
3. Verify with the use of market surveys on selected parts prices in your area as to whether you are competitive with others. You don't have to be the lowest to sell more, but too little or too much profit can keep you from being competitive.
4. Does the computer system you have follow one or more of the pricing guides for various types of customers? Review the pricing structure with the manager and determine areas of profit potential. Policies in wholesale, retail counter, service department, employees, etc., need to be established. *All are set, wholesale varies by Customer Volume, All others are set price codes*
5. Do you have in place policies and DMS controls (via Exception or Deviation Reports) to prevent counter people from changing the pricing structure during daily transactions? What about Service Advisors? *Parts counter can w/ Approval Service advisors can not change parts pricing*
6. Is there a process followed to prevent the costing of parts at other than the established factory (OE) cost within the dealership when parts are placed into the inventory? (done through the use of +/- inventory adjustment account(s)) *NO*
7. Regardless of parts cost (due to various sourcing opportunities (Jobber/Wholesale Distributor), are they all costed at the same factory price to maintain accurate inventory value? *no but when purchased the Sale reflects cost of part*
8. How are discount purchases tracked in the system to show additional profit based on the cost of the part from a particular source other than factory price? *By looking @ RO Analysis*
9. Do you have an internet presence for your parts department? *YES, In our website we have links to parts + Specials*
10. What type of merchandising programs do you have in effect? What is the relative cost versus sales generated as a result of the programs?
11. Is an outside salesperson active in your parts department? Are the sales at a level that "pays" for the employee or could the accounts be maintained on a part-time basis by the manager? *we did have a outside rep but as of now Its done by the manager*

12. Do you have factory merchandising dollars available, and if so, how much of those dollars have been spent year-to-date by the dealership? What must be done to qualify for more expense sharing in merchandising by the factory and the dealership?
13. With the growing use of mobile smartphones by customers do you have a mobile ready website? *Yes*
14. Do you periodically check your online internet Parts coupons? How often are they checked? How often are they updated? *Yes. They are updated monthly*
15. Pay plan reviews should be made at least on a monthly basis. When has a comparison been made between departmental gross profit and the personnel expenses for the department? Is the current sales level providing a sufficient profit for the pay levels established for the parts employees?
16. Does the parts department actually seek additional revenue or "live off" the sales of the service department only? If not why not? *Yes. Constantly Searching for new Wholesale Accounts and growing our retail Sales Count*
17. Is a program set up to sell accessories to the customer in the sales department as well as the parts area of the dealership? If not, are you leaving potential sales and gross profit on the table? *Yes. AIM System Set up at time of sale*
18. Do you review wholesale customers weekly to see if parts sales dollars per customer and returns justify the expense of conducting business with them? For example, delivery 30 miles out of town to a customer ordering \$300 a month of parts at Cost+20% may not justify the delivery service. *Yes but not weekly*
19. Do you study your wholesale market opportunity with the dealership's area of influence? Who's the major player and can you unseat them? Can you make a difference against your competition? Can you deliver 2-3 times a day? Within what mileage radius? *Yes, we are the major player, we are currently in a discount battle with our competition, we Deliver 3-4 A DAY*
20. Who verifies the "wholesale" customer applications to make certain they are really true wholesale customers? Are your state Tax-ID/Wholesale Certificates current (within the last two years?) *Yes tax-ID Current, Angie*
21. Discuss monthly expense control with the parts manager and identify specific areas under the manager's control. If expenses are allocated and not charged on a controlled basis, consider basing pay programs on sales or gross rather than net profit as part of the plan.
22. Who determines credit approval for parts customers and what screening system is applied? Who follows the receivables list in a timely manner to make certain payment is made by the customer without exceeding the account limits? *Angie is our accounts receivable Mgr. She and myself go over the List*
