

## **ACTION PLAN. WEEK 1 SESSION 2.**

After what we have covered in week 1, my goal is going set time aside and visit with the parts manager. I would like to completely redo our boutique. I would like to put our heads together and come up with a holiday themed boutique for the holiday season. I would like to have this done by the end of November just in time for December. Our boutique is bare. I would like to get some accessories out there along with some clothing possibly. Not exactly sure how I want it to look and what we will display. But that will be the reason we set time aside and put our heads together.
